

# Hotel / Motel Technical Specification

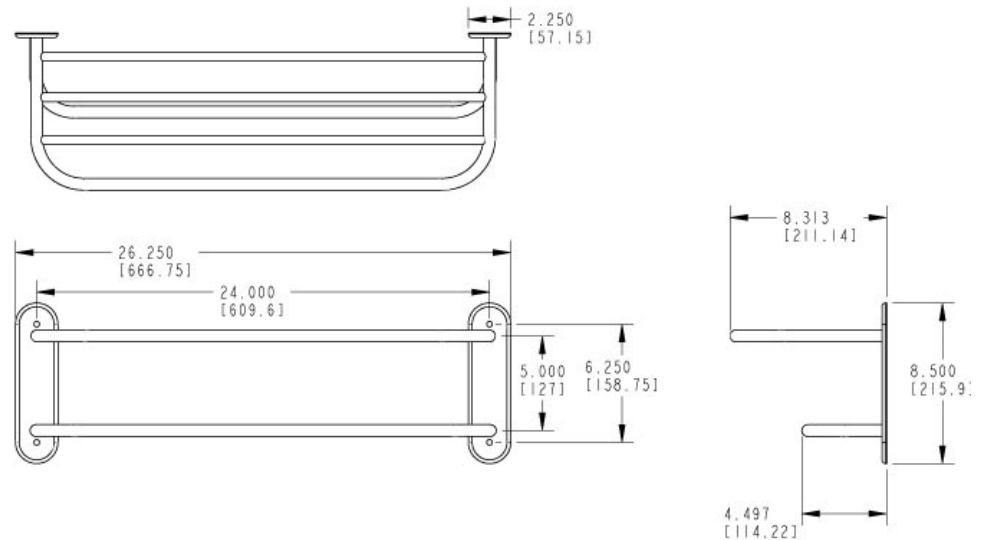

## Stainless Steel Towel Shelf

# 5208

### Stock Numbers:

q 5208-241PS  
24" Stainless Steel Hotel Shelf  
with Single Towel Bar  
Polished Stainless Steel Finish

### Dimensions:

### Materials:

**Towel Shelf** mounting flange is constructed of 17 gauge stamped stainless steel. Shelf tubing and towel bar tubing is  $\frac{3}{4}$ " O.D. stainless steel tubing. Escutcheon is stamped stainless steel.

### Installation Instructions:

Assemble the towel bar and shelf to the wall flanges using the four allen screws and allen wrench (provided). Then mount the wall flange at desired location using four 1  $\frac{1}{2}$ " flathead nickel plated screws and plastic anchors, or four 3" toggle bolts (both provided).

Note: Wood blocking is preferable behind all wall surfaces. If wood blocking is not available, it is recommended that the following anchors be purchased separately for a secure drywall installation:

- Hotel Shelf SecureMount Anchors - Set of 2 (Part # SMA2000)
  - Hotel Shelf SecureMount Anchors are only needed for the top mounting holes of the shelf. The drywall anchors supplied with the shelf can be used on the 2 bottom mounting holes
