

# ZEPPELIN

## 2-VALVE ALUMINUM MANIFOLD

The American made 2-valve ZEPPELIN® series of aluminum manifolds are machined from durable, solid aluminum billets and feature durable, soft grip rubber handles with fingertip grooves to ease opening and closing.

JB also offers a wide selection of gauges available in assorted refrigerant combinations.

### FEATURES

- Machined from durable, solid aluminum billets
- Rubber handwheels for improved grip and reduced turns to open/close
- Improved stem design—fully open in only 2-1/2 turns
- Surge dampened gauges for reduced needle movement
- Original free floating dual o-ring sealing system for faster evacuation and charging
- Available with 2-1/2" and 3-1/8" size gauges
- Easy-to-read, color coded refrigerant dials
- Replaceable, durable hanging hook
- Replaceable intake/hose holder fittings
