

## Organizational Trays and Tote Tray Line

- These trays are **tough** - made for tradespeople. No-stick material and all but T1025 come with dividers
- T1000: Tray can be divided into compartments as small as 4.5" x 1.5". Tray comes with six dividers. Extra dividers are available at extra cost.
- T1025: Deep handy carrier with extra duty handle. Does not have dividers like other models.
- T1050: Tray can be divided into the same size compartments as T1000 tray, except 5" in depth. Tray comes with four dividers. Extra dividers are available at extra cost.
- T1065: Straddles a 2x4" or 2x6" board. Large and roomy. Lid Available
- T1075: Just the right tray for carrying longer tools and bulky parts such as copper or galvanized fittings. This also makes an excellent nail box. Can be divided into 8 compartments 6" x 5" x 6" deep. Comes with four dividers.
- T1075: Tray fits perfectly and securely into the grooves of the Dirt Rider
