### Notes

Install this product according to the installation guide.

**NOTICE:** For ADA compliance, measurement must be from the floor to the top of the internal lip.

**CAUTION:** Risk of property damage. When connecting waterless urinals to the building drain waste vent system, do not use copper pipe or copper tube connectors. The use of a copper connector will result in corrosion of the connector and potential building structure damage caused by leakage.

ADA compliant when installed to the specific requirements of these regulations.
