# GENUINE PARTS

TOILETS - FAUCETS - SHOWERS

### Only KOHLER Genuine Parts (OEM)

- Certified to meet all codes and standards
- Made with quality material
- Protect the warranty of the product
- Assure optimal performance

**KOHLER**®  
GENUINE PARTS

# KOHLER® GENUINE PARTS

Most KOHLER® toilets feature the AquaPiston® canister flushing system.

**AquaPiston Flush Engine**  
No flapper. No leaks. No problem.

**Efficient Intake**  
Water enters the valve from 360 degrees, increasing the power and effectiveness of the flush.

**Light-Touch Flush**  
Less chance for a short flush.

**Maximum Power**  
The 3:2 ratio between valve intake and outlet harnesses the natural force of gravity and optimizes flush performance.

# KOHLER® GENUINE PARTS

Your customers purchase KOHLER® for our excellent quality and exceptional service, so why would you use anything but KOHLER Genuine Parts?

KOHLER Genuine Parts are designed by Kohler engineers to work specifically in KOHLER products. Non-OEM parts are not.

Guarantees	Designed by Kohler Engineers	Premium Materials	Precision Tooling	Extensive Testing	ASSE- and ASME-Compliant	Exact Fit	Protects Warranty of Product
KOHLER Genuine Parts	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Non-OEM Parts	No	No	No	No	No	No	No

Just because it looks like Kohler or it says “for”, “fits” or “replaces” Kohler does not mean it’s a KOHLER Genuine Part.

KOHLER	Non-OEM	KOHLER	Non-OEM	KOHLER	Non-OEM
					
<p>KOHLER shower valve cartridges are made of premium materials so our parts won't wear, crack or lose their pressure-balancing safety feature.</p>		<p>KOHLER valves are engineered for KOHLER faucets and leak-tested to a minimum of 1,000,000 on/off cycles, twice the industry standard.</p>		<p>In addition to chlorine, Kohler tests chloramines, in-tank cleaners and concentrated tablets to ensure KOHLER flappers seal properly for a consistent flush and optimal performance.</p>	

Why put your reputation on the line by using non-OEM service parts that can cause poor flushing, leaking valves, greater noise and more water usage?

Always look for Genuine in the logo

## TABLE OF CONTENTS

Toilets .....	4-7
Faucets <i>Two-Handle</i> .....	8
Faucets <i>One-Handle</i> .....	9
Faucets <i>Handles, Plug Buttons and Stoppers</i> .....	10
Showering .....	11

- 2" flapper with float
- For two-piece 1.6 gpf toilets
- Also used in STERLING® & KALLISTA® toilets

Kohler: GP85160

- 2" flapper
- For older two-piece 3.5+ gpf toilets
- Also used in STERLING® & KALLISTA® toilets

Kohler: GP87449

- 2" shark-fin flapper
- For one-piece toilets

Kohler: GP1078440

- 2" hinge flapper
- For one-piece toilets
- Rigid bar for consistent flush

Kohler: GP84995

- 2" flapper
- For older one-piece toilets

Kohler: GP83064

- 2" ball flapper
- For older one-piece 3.5+ gpf toilets
- Replaces black style

Kohler: GP49114

- 3/4" Class-Five® flapper
- For two-piece toilets

Kohler: GP1078441

- 3/4" Class-Five flapper
- For one-piece toilets

Kohler: GP1039444

- Flush ball
- For older one-piece 3.5+ gpf toilets

Kohler: GP88921

- STERLING flapper
- For 1.28 gpf toilets only
- For 1.6 gpf toilets, use GP85160

Kohler: GP1105825

Gaskets used on DryLock™ toilets—no bolts through the tank

DryLock™ system

- 3/4" DryLock gasket
- For 3/4" flush outlet

Kohler: GP1018165-F

- 2" DryLock gasket
- For 2" flush outlet

Kohler: GP1112256

- Triangle tank gasket kit
- For most two-piece toilets

Kohler: GP51487

- Tank bolt assembly kit
- Two or three bolt connections

Kohler: GP52050

- 2" gasket
- Has one ridge on edge
- For flush valve on one-piece toilets

Kohler: GP83888

- 2" gasket
- Straight, rigid edges
- For flush valve on one-piece toilets
- Use with canister valves

Kohler: GP83996

- Bolt kit for DryLock toilets

Kohler: 1024390

Canister Toilets

- Canister seal
- Proprietary formulated seal
- Fights conditions that cause leaks
- Replaces the red seal

Kohler: GP1059291

Single-flush

- Canister repair kit
- Includes center guide, cap and chain
- Recommend also replacing seal GP1059291

Kohler: GP1229656

Refer to page 7 for Wellworth® and Wellworth Classic design differences

- Wellworth Classic and Highline® Classic canister flush valve
- For 1.6 gpf toilets
- For DryLock™ tanks

Kohler: 1069722

- Wellworth Classic and Highline Classic canister flush valve
- For 1.28 gpf toilets
- Includes tank gaskets

Kohler: 1117210

- Wellworth Classic and Highline Classic canister flush valve
- For 1.6 gpf toilets

Kohler: 1158795

- Wellworth and Highline canister flush valve
- For 1.28 gpf toilets
- Includes tank gaskets

Kohler: 1142714

- Wellworth and Highline canister flush valve
- For 1.6 gpf toilets
- Includes tank gaskets

Kohler: 1145365

- Cimarron® canister flush valve
- 3" outlet (3:3)
- Includes tank gaskets

Kohler: 1083980

- Cimarron canister flush valve
- For 1.6 gpf toilets
- 2" outlet (3:2)
- Includes tank gaskets
- Elongated bowl (for round bowl use 1189001)

Kohler: 1188998

- Cimarron canister flush valve
- 1.28 gpf toilets
- 2" outlet (3:2)
- Includes tank gaskets
- Elongated bowl (for round bowl use 1189000)

Kohler: 1216616

- Cimarron flush valve with flapper
- Includes valve and flapper
- 3/4" flapper

Kohler: 1024385

- Wellworth flush valve assembly
- Includes valve and flapper

Kohler: 85406

- Seal for top-actuator dual-flush toilets
- Fights conditions that cause leaks
- Also used on STERLING® Dual Force® toilets

Kohler: 1131496

Dual-flush

Silent Fill

- Silent Fill valve kit
- All gray stem (cap color doesn't matter)
- Graduated inserts help to conserve water
- Also used on STERLING.

Kohler: GP1138930

Silent Fill

- Silent Fill valve kit
- All black stem (cap color doesn't matter)
- Graduated inserts help to conserve water

Kohler: GP1083167

- Fill valve for low-profile one-piece toilets

Kohler: GP1068030

- 1B1x conversion kit (includes fill/flush valve with flapper and gaskets)
- For older one-piece toilets (ball-cock fill and flush valve)

Kohler: 84499

- Fill/flush valve
- For older-style one-piece toilets
- Brass shank

Kohler: 30668

- Toilet repair kit
- For older-style float valves

Kohler: GP30166

- Plunger repair kit

Kohler: GP30100

- Urinal strainer
- Large for 1 7/8" hole size
- Low-profile, snap-in design—improves flow
- May work on non-Kohler urinals
- Replaces Beehive strainer GP85061

Kohler: GP1211759

- Urinal strainer
- Small for 1 3/16" hole size
- Low-profile, snap-in design—improves flow
- May work on non-Kohler urinals
- Replaces Beehive strainer

Kohler: GP1217811

- Urinal strainer with plate

Kohler: 53415-S

- Urinal top-spud outlet

Kohler: 18377

Wellworth® Classic

- Wellworth tank lid
- For Classic design
- White

Kohler: 84591-0

- Wellworth tank lid
- For Wellworth canister toilets
- White

Kohler: 1138565-0

Wellworth

- Wellworth Classic trip lever
- For toilets with a flapper
- Polished Chrome finish

Kohler: GP30324-CP

- Wellworth Classic trip lever
- For toilets with a canister flush valve
- Polished Chrome finish

Kohler: 1133133-CP

- Wellworth trip lever
- For toilets with a canister flush valve
- Polished Chrome finish

Kohler: GP1142713-CP

- Bolt cap kit
- White

Kohler: GP1013092-0

- Clean Caps™ kit
- Low-profile design blends with toilet base
- Easier to clean
- White

Kohler: GP1232262-0

- Cimarron® trip lever
- Polished Chrome finish

Kohler: GP1034693-CP

- Rialto® trip lever
- Polished Chrome finish

Kohler: 85114-CP

- Memoirs® trip lever
- For toilets with a canister flush valve
- Polished Chrome finish

Kohler: 1160316-CP

- Memoirs trip lever
- For toilets with a flapper
- Polished Chrome finish

Kohler: 85086-CP

- Toilet seat anchor kit
- For select one-piece toilets
- Includes the tool for removal

Kohler: 84999

- Solenoid valve kit (DC)
- For Bardon™ touchless urinal K-4915

Kohler: 85746

- Gasket
- Rear outlet
- Fits most urinals

Kohler: GP53410

- Urinal outlet assembly
- Includes gasket

Kohler: 18766

- Waterless urinal sealer
- Case of four one-gallon bottles
- For a single one-gallon bottle, order 1048656

Kohler: 1048656-P

- Waterless urinal cleaner
- Three-pack

Kohler: 1174866

Valves must be replaced based on your existing style. They are not interchangeable.

Centerset

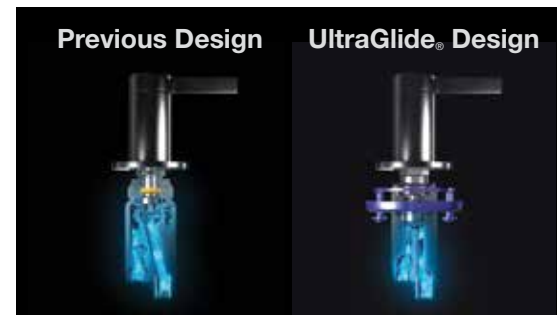

Widespread

- Valve (hot)  
• For select centerset faucets
- Valve (cold)  
• For select centerset faucets

Kohler: GP1152349      Kohler: GP1152350

- Centura repair kit  
• For Centura faucets
- Valve kit  
• For Coralais® bathroom, kitchen and shower faucets
- 25 mm valve  
• For bathroom faucets

Kohler: GP30082      Kohler: GP30413      Kohler: GP1192521

Previous Design

UltraGlide® Design

Water does not come in contact with any O-rings, which eliminates the potential for leaks at the stem. Now used on all widespread faucets.

- Ceramic valve (hot)  
• For most two-handle faucets from 1990–2010, including 4" centerset
- Ceramic valve (cold)  
• For most two-handle faucets from 1990–2010, including 4" centerset
- Spline adapter kit (includes two)  
• Stem adapter on the GP77005/6-RP and GP1092203/4

Kohler: GP77005-RP      Kohler: GP77006-RP      Kohler: GP1074231

- Valve  
• For many one-handle and remote-valve faucets
- 25 mm valve  
• For select kitchen faucets
- 35 mm valve  
• For various kitchen faucets  
• May need O-ring kit GP30420
- Valve  
• For Coralais and Fairfax.  
• May need O-ring kit GP30420
- O-ring seal kit (includes bearings, O-rings and lube)  
• For GP1016515 and GP77548

Kohler: GP1017426      Kohler: GP1093674      Kohler: GP1016515      Kohler: GP77548      Kohler: GP30420

- UltraGlide valve (hot)  
• For widespread faucets since 2011
- UltraGlide valve (cold)  
• For widespread faucets since 2011

Kohler: GP1092204      Kohler: GP1092203

- Valvet, ¼-turn ceramic valve (hot)  
• For faucets prior to 1990  
• Replaces full-turn compression
- Valvet ¼-turn ceramic valve (cold)  
• For faucets prior to 1990  
• Replaces full-turn compression

Kohler: GP330002      Kohler: GP330004

**Kitchen**

- Diverter for kitchen faucet sidespray  
• Coralais, Fairfax, Essex® and others
- Kitchen faucet sidespray  
• Polished Chrome finish
- Kitchen faucet sidespray  
• Black finish
- Sprayhead for Simplice® faucet  
• Vibrant® Stainless finish

Kohler: GP75878      Kohler: GP1021724-CP      Kohler: GP1021724-7      Kohler: GP1043211-VS

- UltraGlide valve assembly (hot)  
• For most widespread faucets since 2011  
• Complete valve replacement
- UltraGlide valve assembly (cold)  
• For most widespread faucets since 2011  
• Complete valve replacement

Kohler: 1131481      Kohler: 1131482

- Valve (hot)  
• For most Coralais® two-handle faucets
- Valve (cold)  
• For most Coralais® two-handle faucets
- Hose for GP77005/6  
• For two-handle faucets (most faucets prior to 2010)  
• Not for use with UltraGlide valves

Kohler: GP76672      Kohler: GP76671      Kohler: GP73151-A

- Trend® handle (large)
- For Trend faucets
- Acrylic

Kohler: GP21094

- Trend handle (large)
- For Trend faucets
- Polished Chrome finish

Kohler: GP21087-CP

- Trend handle (small)
- For Trend faucets
- Polished Chrome finish

Kohler: GP20986-CP

- Flair™ handle
- For Flair bathroom faucets
- Acrylic

Kohler: GP43146

- Coralais® handle
- Includes plug button
- Acrylic

Kohler: GP30416

- One-piece pressure-balancing cartridge
- For K-8304 Rite-Temp. valve

Kohler: GP800881

- Valve stops for K-8304 valve
- Kit of two
- Includes clips

Kohler: 1229168

- Valve kit
- For Coralais bathroom, kitchen and shower faucets

Kohler: GP30413

- Coralais handle
- For old style 4" centerset faucets
- Includes plug buttons

Kohler: 70274

- Plug button
- For Centura faucets

Kohler: GP42361

- Trend plug-button kit (hot [21082-H], cold [21082-C] and diverter)
- For metal and acrylic handles

Kohler: GP30000

- Hot and cold plug-buttons
- For Finesse™ bathroom faucets

Kohler: GP1078439

- Rite-Temp pressure-balancing cartridge and mixer cap kit
- Resistant to aggressive water conditions
- Maintains water temperature and pressure
- Consists of GP800820 and GP77759

Kohler: GP876851

- Rite-Temp cartridge for most 1/2" pressure-balancing valves
- Resistant to aggressive water conditions
- Maintains water temperature and pressure
- Replaces GP500520

Kohler: GP800820

- Mixer cap kit for pressure-balancing unit
- Stem cap for most 1/2" pressure-balancing valves

Kohler: GP77759

- Mixer cap kit
- For older Coralais® shower valve trim
- Square brass stem

Kohler: GP77886

- Mixer cap kit
- For older Coralais shower valve trim
- Square plastic stem (also used on STERLING® shower units)

Kohler: GP71969

- Plug button
- For Fairfax® single-handle kitchen and bathroom faucets

Kohler: GP78205-0

- Plug buttons
- For Fairfax® two-handle, widespread, deck-mount bath and bidet faucets
- White

Kohler: GP1077792-0

- Plug buttons
- For Fairfax centerset faucets
- White

Kohler: GP1077791-0

- Diverter bath spout
- 1/2" NPT connection
- Polished Chrome finish

Kohler: GP85555-CP

- Diverter bath spout
- Slip-fit connection
- Polished Chrome finish

Kohler: GP85556-CP

- Mixer cap
- For high-flow 3/4" pressure-balancing valve

Kohler: 85500

- Cartridge for high-flow 3/4" pressure-balancing valve

Kohler: GP1144925

- Pressure-balancing repair kit
- For older faucets

Kohler: GP78579

- Repair kit
- For Niedecken™ faucets

Kohler: GP30090

- Rite-Temp valve repair kit
- Includes O-rings

Kohler: GP78500

- Pop-up stopper with O-ring
- For older drains (some STERLING®)
- 1.3" diameter

Kohler: GP99B3254

- Stopper (plastic stem)
- For most KOHLER® drains
- 1.55" diameter
- Polished Chrome finish

Kohler: GP1037021-CP

- Stopper (metal stem)
- For most KOHLER drains
- 1.55" diameter
- Polished Chrome finish

Kohler: GP1037022-CP

- Stopper (1.875)
- For most KOHLER drains
- 1.55" diameter
- Polished Chrome finish

Kohler: 78172-CP

- Premier drain with overflow
- Complete drain assembly
- All metal construction
- Polished Chrome finish

Kohler: GP1035350-CP

- Pressure-balancing unit repair kit for older faucets
- Includes O-ring and lube capsule

Kohler: GP30320

- Stem driver

Kohler: 1017262

- Brass seat
- For old Trend® valve

Kohler: 20774-RP

- Long-stem shower valve
- For Trend shower faucets
- Hot

Kohler: GP30119

- Long-stem shower valve
- For Trend faucets
- Cold

Kohler: 30353
