CANDRE™ SCONCE LIGHT

Installation Notes

Install this product according to the installation guide.

To protect lights from damage, make sure to install hinge clips on Robern cabinets. This will insure that the cabinet door does not open more than 110 degrees.

Install only with a standard UL Listed junction box measuring 2-3/8" x 3-1/2" x 2-3/4" [6.03 cm x 8.89 cm x 6.98 cm] deep.
