Material Number NL2QA0A, T-221-A - Strainer - Bronze, Wire Mesh Screen, Threaded Ends

The strainer is a "Y" type with a branch angled off the flow path. It features a tapped cap with blow-off plug for screen maintenance. The strainers are equipped with female threaded end connections for easy installation. Please refer to NIBCO technical data sheets, chemical resistance guides and catalogs for engineering and installation information. Choose NIBCO® valves for the most specified, versatile and economical valve option in commercial, mechanical and industrial applications. NIBCO®
