

FLUSHING SOLVENT

Pro-Flush HVAC Flushing Solvent

Pro-Flush is a flushing solvent for air conditioning and refrigeration systems, and is formulated for R-410A retrofits, refrigerant conversions and compressor burnouts. Pro-Flush is compatible with all refrigerants and compressor oils. Pro-Flush is the answer for technicians who need a professional quality flushing solvent as well as the components to match. All solvents in Pro-Flush are non-VOC and conform to EPA SNAP standards. Pro-Flush is not HAZMAT for storage and ground transportation. This flushing solvent is:

- Low toxicity
- Residue free

Pro-Flush is available both as a kit or in a 16 oz. solvent refill. The Pro-Flush kit makes servicing quick, easy, and safe as well as making sure you get to the job site with all necessary hardware in hand for 1-stop servicing. A single can of Pro-Flush treats 5-8 tons (2 to 3 ounces per ton).

The kit includes:

- Charging hose
- Large flush nozzle
- Refillable pressure tank
- 16 oz. container of Pro-Flush
- Pressure relief valve for added safety
