TUB/SHOWERS—SIMULATED TILE

STANDARD FEATURES

This Deluxe, 44-gallon combination tub/shower features a gently sloped backrest for reclining comfort and a clear acrylic safety grab bar for showering.

Extra soap and shampoo ledges are molded in at elbow height when standing in tub, as well as a large soap and shampoo ledge at tub level. An anti-slip floor is included for added safety.

A unique composite support plate is laminated to the bottom for added strength eliminating "flex" or "sponging". Select Left- or Right-hand plumbing.

OPTIONAL FEATURES

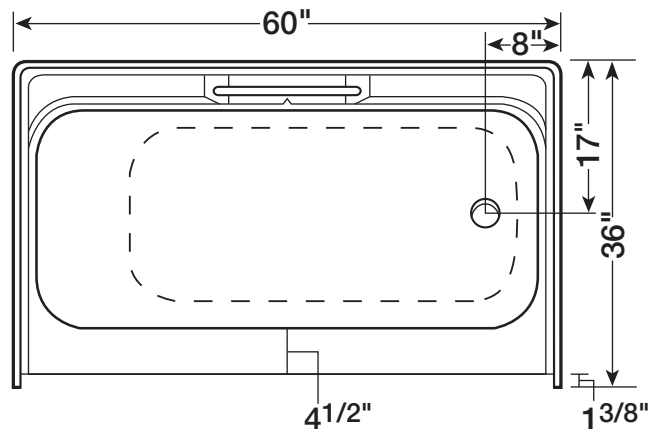

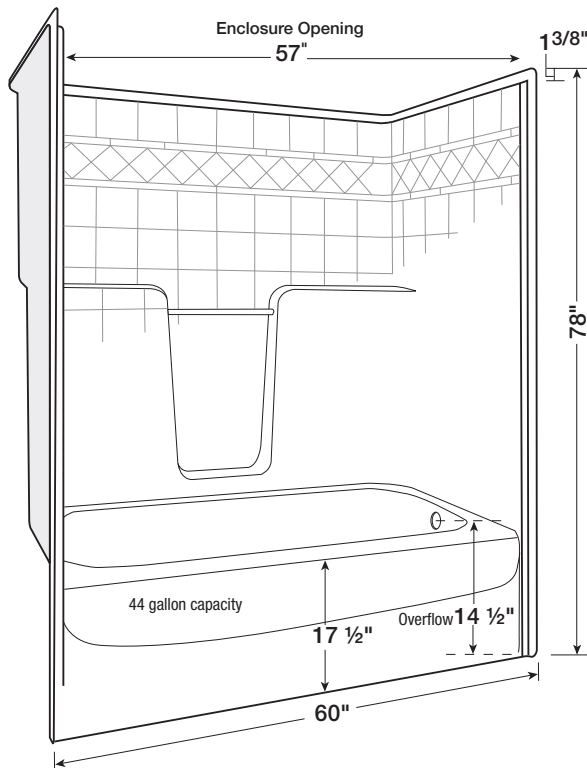

- Factory-installed hydro-massage spa package
- Factory-installed through-bolted curtain rod
- Factory-installed and pre-plumbed pressure-balancing mixing valve
- Additional factory-installed through-bolted flangeless grab bar(s)
- Tempered glass enclosures
- Wide selection of contemporary colors
- Also available in smooth wall (Model 101C)

Model 101TC
