NEWPORT BRASS® Shower

1/2" GENERAL GUIDELINES FOR PLANNING AND LAYOUT

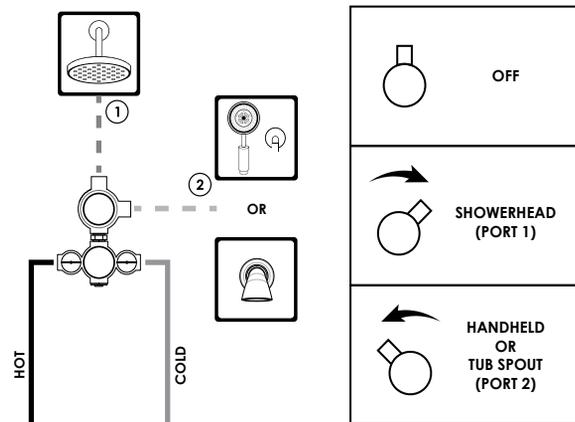

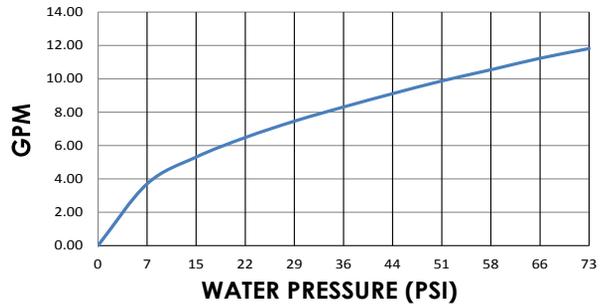

1/2" thermostatic valve will provide automatic temperature control and adequate water flow to operate multiple devices. The temperature control feature is independent of the integrated transfer valve.

The sum total of water consumption of the combined shower outlets must not exceed the rated gallons per minute (gpm) of the thermostatic valve (see flow charts below, as measured from the top outlet, mixed hot & cold).

NEWPORT BRASS®

3/4" GENERAL GUIDELINES FOR PLANNING AND LAYOUT

- 1) **Valve**—3/4" thermostatic valve. This valve will provide automatic temperature control and adequate water flow to operate multiple devices. The temperature control feature is not only a convenience but a safety consideration as well.
- 2) **Shower Outlets**—The sum total of water consumption of the combined shower outlets *must not exceed* the rated gallons per minute (gpm) of the thermostatic valve (see flow chart below).

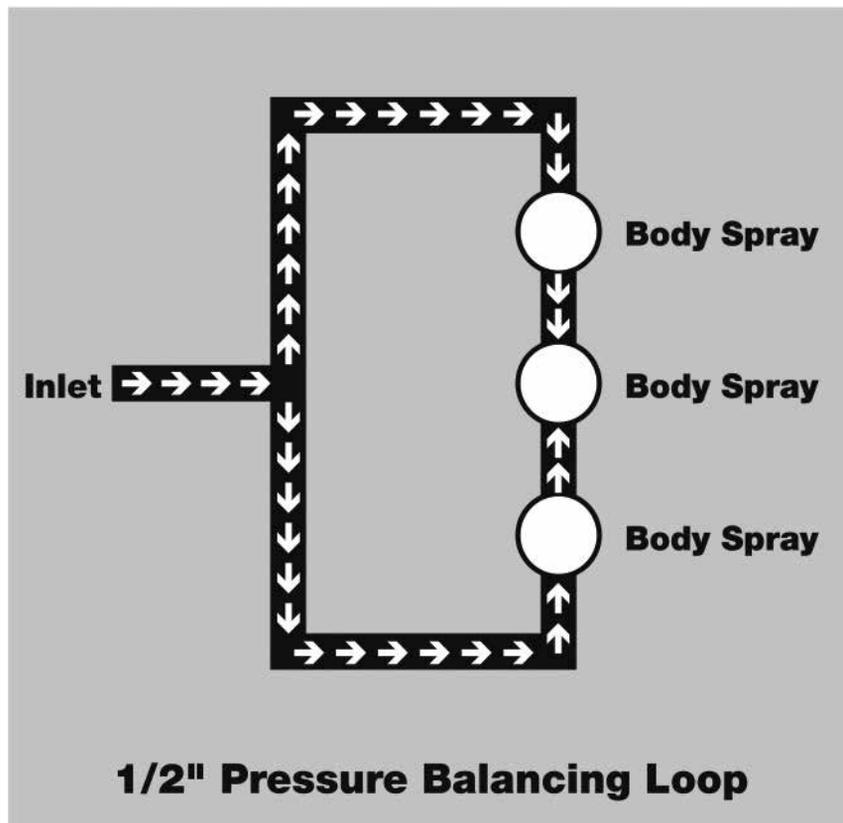

- 3) Exceeding the capacity of the valve will result in the reduction of the overall performance of the shower. Since water pressure directly facilitates optimum performance, Newport Brass recommends a minimum of 50 pounds per square inch (psi) for 3 or more outlets.

NOTE: In the case of a *well/pump system*, flow and pressure capacity may not accommodate a multi-component shower installation. Please consult a licensed plumber to ensure the supply you're working with is adequate.

- 4) **Removing flow restrictions** from showerheads or body sprays will upset the balance and the capacity of the valve and is a violation of national code.
- 5) When using more outlets than one thermostatic valve can accommodate, we recommend that 2 or more valves be used. If this is the case, Newport Brass suggests that the main water supply be 1" or larger.
- 6) Some plumbers 'tee' from one set of hot and cold supplies to accommodate more than one valve. This practice is *not recommended*. This situation requires that each valve be plumbed directly from the main water supply. It should be noted that the use of a 'tee' could cause fluctuations in temperature and water flow.

3/4" GENERAL GUIDELINES FOR PLANNING AND LAYOUT

- 7) **Volume Controls**—Most custom showers are designed with separate on/off volume controls for each outlet device. As with the other outlet devices, the volume controls also have their own flow rates. Newport Brass suggests using 3/4" volume control valves. Where cost is concerned 1/2" volume controls can be used, however, a reduction in the flow rate will result.
- 8) **Body Sprays**—It is recommended that a 1/2" pressure-balancing loop be plumbed for 2 or more body sprays. This technique will allow equal flow rates and temperature to each body spray. Please refer to diagram below.

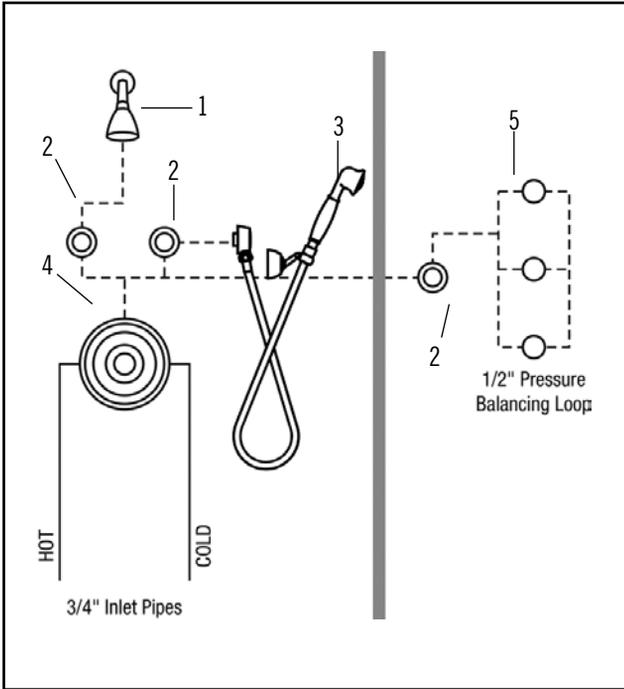

Note: Pressure-Balance Loop should be used on each shower bar installed.

Newport Brass is pleased to provide you with the following *Component Price List and Shower System Planner* for your convenience.

These pages will provide you with all of the tools needed to create a versatile and unique showering environment.

Custom shower installations can be confusing. But they don't have to be as long as you keep a few simple things in mind.

Please refer to "General Guidelines for Planning and Layout" and create your new shower system by following these easy steps:

- 1) Select "In-Wall Plumbing Products" for rough valve pricing.
- 2) Select design series/finish with Round or Square Trim Plate.
- 3) Select shower system components.

Please refer to Shower System Planner.

PRODUCT USAGE GUIDE

2-PIECE WATER CLOSETS

If the water supply
coming out of the wall is:

USE:

1/2" COPPER PIPE

Brasstech Toilet Supply Kits
No. 482 with rigid risers and No. 403 angle valve with 1/2" nominal compression inlet and 3/8" compression outlet.

1/2" IRON PIPE (IPS)

Brasstech Toilet Supply Kits
No. 481 with rigid risers and No. 401 angle valve with 1/2" IPS inlet and 3/8" O.D. compression outlet.

3/8" IRON PIPE

Brasstech Toilet Supply Kits
No. 480 with rigid riser and No. 404 angle valve with 3/8" iron pipe inlet and 3/8" O.D. outlet.
If a flexible riser is required, use the No. 404 angle valve with any 3/8" O.D. flexible riser and appropriate flange.

1-PIECE WATER CLOSETS

NOTE: 1-PIECE WATER CLOSETS REQUIRE FULL 1/2" SUPPLY TO FUNCTION PROPERLY. THEY SHOULD NOT BE INSTALLED WHERE THE WATER SUPPLY IS ONLY 3/8". VERIFY WITH TOILET MANUFACTURER FOR APPROPRIATE SIZE WATER SUPPLY.

If the water supply
coming out of the wall is:

USE:

1/2" COPPER PIPE

Brasstech Toilet Supply Kits
No. 483 with rigid risers and No. 402 angle valve with 1/2" nominal compression inlet and 1/2" O.D. outlet.

1/2" IRON PIPE (IPS)

Brasstech Toilet Supply Kits
No. 481 with rigid risers and No. 400 angle valve with 1/2" IPS inlet and 1/2" O.D. outlet.

PEDESTAL SINKS

If the water supply
coming out of the wall is:

USE:

1/2" COPPER PIPE

Brasstech Lavatory Supply Kits
Nos. 483 or 494 kits with rigid risers, and No. 402 angle valve with 1/2" nominal compression inlet and 1/2" O.D. outlet.
2 kits required per sink.

1/2" IRON PIPE (IPS)

Brasstech Lavatory Supply Kits

TERMS & CONDITIONS

Sales by Brasstech, Inc ("Seller") to purchaser ("Buyer") are governed by these Terms & Conditions, which may not be varied by any unilateral writing of the Buyer without the expressed written consent of the Seller. Our acceptance of your order is conditioned upon the application of these terms and conditions to the order. Any terms and conditions that you may propose in connection with your order that are additional or different from these terms and conditions are deemed material and are hereby rejected.

1. PRICES:

Prices are subject to change without notice and are exclusive of any shipping, delivery, packaging or handling charges that might apply.

2. TERMS OF DELIVERY:

Seller's products ("Products") are offered Ex-Works Brasstech, Inc., unless otherwise specifically agreed in writing. Risk of loss of Products shall pass to Buyer upon delivery to carrier at place of shipment. Title shall also pass to Buyer upon delivery thereof, subject to our rights under our purchase money security interest pursuant to paragraph 3(c) below. Carrier acts as Buyer's agent. Unless we expressly authorize in our sole discretion otherwise, all Products will be shipped to Buyer's approved showroom location or to a location within Buyer's local trade area.

3. TERMS OF PAYMENT:

(a) Seller's terms for all Products sold are 1% 10 Net 30 days from invoice date. Accounts past due are subject to a 1.5% monthly late charge on unpaid balance. (b) Trade discounts from the list prices are expressly conditioned upon timely payment by the Buyer. Trade discounts for accounts past due are subject to rescission by the Seller, at the Seller's sole and absolute discretion. Upon demand by the Seller, the full list price for past due invoices shall become due, subject to the monthly late charge, as described in section 3(a). (c) Until Seller has received full payment for all Products delivered by Seller, Seller shall retain and Buyer hereby grants to Seller a purchase money security interest in such Products to secure payment, so that all such Products which remain within the possession or control of Buyer shall be subject to being demanded back by Seller until the full purchase price is paid pursuant to Seller's purchase money security interest in such Products.

4. CLAIMS:

(a) Nonconforming orders: Buyer shall submit to Seller any and all claims for nonconforming delivery of Products by written notice to Seller within fourteen (14) days of receipt of Products. Seller's occasional acceptance of claims made beyond the 14-day period does not constitute a waiver of the 14-day requirement. (b) Damages: Upon delivery of the Products, Buyer should examine the package for damage. Any damage should be noted on the carrier's delivery receipt before signing. In the event of apparent or concealed damage or shortage, Buyer should retain all packaging and file a claim with the carrier. SELLER'S RESPONSIBILITY CEASES WHEN THE PRODUCTS ARE DELIVERED IN GOOD CONDITION TO THE CARRIER.

5. RETURNS:

Effective on orders placed on or after July 1, 2009, the following Return Policy is in place for all Brasstech, Inc. products including products branded: Brasstech®, Newport Brass®, GINGER® and Newport 365:

- All non-defective returns are subject to a 25% restocking fee.
- Returns of non-defective products are subject to a 15% re-boxing fee, to be applied at the discretion of the company, if the product packaging is damaged.
- All returns due to a Brasstech, Inc. error or non-conforming products are subject to a 0% restocking fee.
- RGA (Return Goods Authorization) requests will be accepted up to 180 days from shipment of the product.
- Living finishes are non-returnable.
- Mirrors - returns are permitted for nonconforming product only.
- Special order items and finishes are non-returnable.

6. QUOTATIONS:

All quotations will provide an Estimated Time of Delivery (ETD). The ETD is offered as a best estimate of the anticipated delivery time, which the Seller will attempt to meet. It is expressly stated that the ETD is not binding upon Seller and does not provide the basis for consequential or other damages for delay.

7. CHARGES:

- (A) RETURNED CHECK CHARGE: \$50.
- (B) HANDLING CHARGE: HANDLING CHARGES WILL APPLY.
- (C) RESTOCKING CHARGE: 25% OF INVOICED VALUE, PER 5 ABOVE.
- (D) REBOXING CHARGE: 15% OF INVOICED VALUE, PER 5 ABOVE.

8. BUYER'S SPECIFICATIONS:

If the Products sold hereunder are to be manufactured according to the Buyer's specifications, Buyer shall defend, hold harmless, and indemnify Seller against any claims, damages, suits, proceedings, liabilities, costs or attorney's fees incurred in relation to any claim for patent, copyright, trademark or other intellectual property interest infringement or product design defect.

9. FORCE MAJEURE:

Seller shall not be liable for any delay in delivery or for non-delivery, in whole or in part, cause by the occurrence of any contingency beyond the control either of Seller or of suppliers to the Seller, including but not limited to failure or delay in transportation, acts of any government of any agency or subdivision thereof, judicial action, labor, fuel, raw material or machinery or technical failure. If any contingency occurs, Seller may allocate production and deliveries among Seller's customers.

10. CREDIT APPROVAL:

Acceptance of your order and shipment and delivery of Products shall at all times be subject to the approval of Seller's credit department and Seller may at any time decline to make any shipment or delivery except upon receipt of payment in advance or upon terms and conditions or security satisfactory to Seller. Seller is entitled to recover costs and attorney's fees in the enforcement or defense of any rights under any order. Interest accrues on all past-due accounts at the maximum rate of interest allowed by law.

11. SELLER'S INTELLECTUAL PROPERTY:

Buyer does not and shall not acquire ownership or any rights in Seller's patents, inventions, technical data, copyrights, trademarks or other intellectual property rights under any order, regardless of when such patents, inventions, technical data or other intellectual property rights may be or have been issued, conceived, generated, or produced. All Seller patents, information, technical data, copyrights, trademarks and other intellectual property rights are reserved by Seller, and the same shall not be reproduced or used by Buyer for any purpose whatsoever without Seller's written permission.

12. GOVERNING LAW:

All orders shall be construed, interpreted and the rights of the parties determined in accordance with the laws of the State of Delaware.

13. LIMITATIONS ON ACTIONS AND LIABILITY:

The statute of limitations applicable to all Buyer's claims arising under this agreement shall be one year from the date the claim accrues. In no event shall Seller be liable for incidental, indirect, special or consequential damages, whether based upon warranty, breach of contract, negligence, strict liability or any other legal theory.

14. ENTIRE AGREEMENT:

These Terms and Conditions and Seller's dealer policies published from time to time by Seller contain the entire agreement of the parties relating to the subject matter hereof and may not be waived, changed, modified, extended or discharged orally but only by agreement in writing and signed by the party against whom enforcement of any such waiver, charge, modification, extension or discharge is sought. If you have a current separate written dealer agreement with Seller ("Dealer Agreement"), the provisions of the Dealer Agreement will apply to all orders placed during the effective term of the Dealer Agreement, and to the extent that these Terms and Conditions conflict with the provisions of any such Dealer Agreement, the provisions of the Dealer Agreement will control.

15: All allowances, rebates, and amounts under other programs offered to you by Seller from time to time (collectively "Programs") are payable only if Customer's accounts (including those of your subsidiaries and affiliates) are current with all Masco Corporation subsidiaries and affiliates. If the accounts are not current, Programs are considered not earned or payable. In addition, Programs are not earned or payable if the ratings issued by any agency, such as S&P, Moody's, or Fitch, relating to Customer's company, parent, subsidiaries, or affiliates are lower than investment grade quality. Any earned payment may be withheld or be used to satisfy any of the accounts or other obligations to a Masco subsidiary or affiliate.

ECO NOTICE

The federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (provided that the applicant has the capacity to enter into a binding contract): because all or part of the applicant's income derives from any public assistance program: or because the applicant has in good faith exercised any right under the Consumer Protection Credit Act. The federal agency that administers compliance with this law concerning this credit is the Federal Trade Commission, Division of Credit Practices, 6th and Pennsylvania Avenue NW, Washington DC 20580. For CA residents: An applicant, if married, may apply for a separate account. For OH residents: The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law.

LIMITED WARRANTY

Brasstech, Inc. warrants to the original consumer residential purchaser ("Original Purchaser") that if a product in its; Newport Brass®, Brasstech®, Newport 365 or GINGER® lines of products ("Product") is confirmed upon inspection to be defective in materials or workmanship during the warranty periods described below, Brasstech, Inc. will, at its option, either repair or replace the Product with a similar current model of the Product. If repair or replacement is not commercially practical or cannot be made in a timely manner, then Brasstech, Inc. will provide a refund for the Product.

WARRANTY PERIODS AND COVERAGE PRODUCT FINISHES

- PVD and Polished Chrome (26) finishes on Products other than Drains and Shower rods are warranted as long as the Original Purchaser owns their home.
- "Living" finishes have no warranty*. These include 03N & 08VV.
- Shower rods, porcelain parts and glass parts have no finish warranty.
- Mirror products will be warranted from desilvering for two (2) years from the date of purchase by the original purchaser as long as desilvering is not due to chemical contact. See maintenance section for proper cleaning instructions.
- All other finishes are warranted for ten (10) years from date of purchase by the Original Purchaser.

DRAIN FINISHES

- Polished Chrome (26) and PVD finishes on kitchen, bath or lavatory drains including drain baskets and components are warranted for one (1) year from date of purchase by the Original Purchaser.
- All other Drain finishes have no warranty.

FUNCTIONALITY

- All Product parts except valves are warranted for ten (10) years from date of purchase by the Original Purchaser.
- Ceramic disc valves for the lavatory faucet and roman tub are warranted for as long as the Original Purchaser owns the home.
- All other valves (balance pressure, thermostatic, etc.) are warranted for one (1) year from date of purchase by the Original Purchaser.
- Lights have no functional warranty. Soap / Lotion pump mechanisms are warranted for one (1) year from date of purchase by the Original Purchaser. Shower rods, porcelain parts and glass parts have no functional warranty.
- Hot water tanks are warranted for one (1) year from the date of purchase by the original purchaser.

EXCLUSIONS FROM COVERAGE

- This Warranty does not cover labor charges or associated costs for, or damages occurring during the removal, transportation, return or installation of Products or replacement Products.
- This Warranty does not cover damage or defects due to normal wear and tear, misuse, abuse, hard water, improper storage, improper handling, improper maintenance**, improper installation*** or uses other than normal household usage****.
- This warranty is non-transferable.
- Products sold to customers for use as display items are not meant for resale and are not covered under any functional or finish warranty.

LIMITATIONS ON REMEDIES

In no event will Brasstech, Inc. be liable for incidental or consequential damages (such as labor charges), whether based on breach of express or implied warranty, breach of contract, negligence, strict liability or any other legal theory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so, the above limitation or exclusion

may not apply to you. Any implied warranties, including the implied warranties of merchantability and fitness for a particular purpose, are limited to the duration of this written warranty. Some states do not allow limitations on how long an implied warranty may last, so the above limitation may not apply to you.

WARRANTY SERVICE

To obtain service under this Warranty, please contact your Product dealer. If you are unable to locate your dealer, please call 949-417-5207 or access the Brasstech, Inc. website at www.brasstech.com. Proof of purchase, such as the original receipt, is required for the dealer to issue credit to the consumer. The dealer must be an authorized dealer and the product must be purchased in the original manufacturer's packaging (display items excluded).

STATE REMEDIES

This Warranty gives you specific legal rights, and you may have other rights which vary from state to state.

PRODUCT CARE

Simple care is all that is needed in maintaining this product. Abrasive cleansers, detergents and silver or brass polish may result in damage to the finish and therefore should not be used. To clean, simply wipe with a soft, water dampened cloth. Hand, deck and wall shower sprays feature easy-cleaning jets. The jets should be cleaned periodically by rubbing your thumb or a damp cloth across the jets to loosen mineral deposits. Run the shower spray briefly to purge the loosened deposits.

* UNCOATED AND LIVING FINISHES

Uncoated and Living finishes such as Polished Brass Uncoated (03N) and living finishes such as Weathered Copper (08VV), do naturally weather and change color over time. Living and uncoated finishes are not warranted.

** MAINTENANCE

Proper maintenance is required to preserve all finishes. Do not use any abrasive cleaners, alcohol, ammonia, detergents, or brass or silver polish on the Products. For complete care requirements and recommendations, please visit our website at www.brasstech.com.

*** PROPER INSTALLATION

Products must be installed in accordance with the manufacturer's installation instructions supplied with the Products. For example, pipes must be flushed before faucet installations, because solder and other debris may damage ceramic discs. You may also call 949-417-5207 for copies of the installation instructions. Many of our installation instructions are also available on our website, www.brasstech.com.

**** COMMERCIAL PURCHASERS

Brasstech, Inc. extends the above limited warranty to purchasers of Products for industrial, commercial and business use upon the same terms and conditions and exclusions applicable to residential purchasers, except that the finish and functionality warranty periods are reduced to a period of one (1) year from the date of purchase. ADDITIONALLY, with respect to commercial purchasers, all implied warranties, including the implied warranties of merchantability and fitness for a particular purpose are excluded and disclaimed. Products purchased for use on the exterior of a home shall be considered commercial products for the purpose of warranty coverage.

Spout Dimensions

(All dimensions shown in inches)

Drawing at left represents the four dimensions shown for all spouts, i.e., dimension "A" will always be the distance from the center of the spout base to the center of the spout outlet regardless of whether the spout is for a lavatory set or a roman tub set. Dimension "C" will always be the overall height of the spout without the pop-up knob. All "D" dimensions are with base rings where they are supplied.
