## Material Number BF8105L, 90° Flanged Sink Elbow C x F - Performance Bronze™, 708-LF

The 90-degree elbow features a solder cup and a flange. The fitting provides a means of changing the pipeline direction 90 degrees. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are backed by a 50-year limited warranty. Because of its longstanding reputation for
