Material Number B07400L, 90° Hy-Set Elbow C x C - Performance Bronze™, 707-5-A-LF

The 90-degree elbow features solder cups and mounting ears. The fitting provides a means of changing the pipeline direction 90 degrees. The ears allow the fitting to be secured to a wall support using a nail or screw. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper
