

model MTGFR.DF1

Mounting Frame

FEATURES & BENEFITS

OPTIONS

For more information, visit www.hawscos.com or call (888) 640-4297.

SPECIFICATIONS

Model MTGFR.DF1 mounting frame is made of heavy gauge galvanized steel with pre-punched mounting holes for use with Haws 'swirl bowl' series fountains and is used to provide access to an in-wall trap.

APPLICATIONS

Haws produces mounting plates and frames to assist in the installation process as well as to provide solid bases for the wall mounted designed fountains. Mounting plates and frames meet the requirements solely for the specified applicable fountains and are not designed to be used in the installation of any unspecified fountain.
