## Material Number E535250, DWV Return Bend C x C - Cast, 879

The return bend features solder cups. The fitting provides a water seal, preventing unwanted gases to enter the dwelling. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50-year limited warranty.
