VENT CAPS

- Available in threaded and slip-on designs
- Slip-On design solves clearance problems
- Rust-resistant zinc plated cast iron, as-well-as rust-proof aluminum and zinc castings
- Available in sizes from 3/4" to 4"
- Each cap includes a screen, to prevent debris from entering the vent pipe

Mushroom Vent Caps

- This popular style is used in the majority of installations in the United States, Alaska, and Canada
- Available in female NPT sizes from 3/4" to 4"
- Each cap is designed with a 30 mesh screen, to prevent debris from entering the vent pipe

Mushroom Vent Caps	
Part No.	Male NPT
4021	3/4"
4022	1"
4023	1-1/4"
4024	1-1/2"
4025	2"
4027	3"
4028	4"

Part No.
4023

Part No.
4025

Slip-On Vent Caps

- Zinc plated steel with screen
- Lightweight and economical

Slip-On Vent Caps	
Part No.	Pipe Size
4036	1"
4037	1-1/4"
4038	1-1/2"
4039	2"

Part No.
4039

Zinc Slip-On Cap

- OEM's most economical design
- Zinc alloy won't rust
- Slip-on design only requires ~1/16" pipe-to-wall clearance
- Supplied with set screw and wire screen
- Available in sizes from 3/4" to 1-1/2"

Zinc Slip-On Vent Caps	
Part No.	Pipe Size
4006	3/4" - 1"
4008	1-1/2"

Part No.
4007

Aluminum Slip-On Cap

- These caps are ideal for "close-to-wall" installations. Requires only ~1/8" pipe-to wall clearance
- Rust proof cast aluminum design includes an integral screen
- Cap is secured to pipe using a single set screw

Aluminum Slip-On Vent Caps	
Part No.	Pipe Size
4009	2"
4010	3/4"
4011	1"
4012	1-1/4"

Part No.
4009
