

### DUCT TAPE

#### Description

PROSELECT Duct Tapes are designed to answer your need for an economical general purpose duct tape. Made from high quality polyester (PET) cloth, polyethylene (PE) film, & a natural rubber, pressure sensitive adhesive. This results in a quality, general purpose duct tape.

#### Features

- With the grain or across the grain, PROSELECT duct tapes tear evenly and shred minimally.
- Excellent conformability to irregular surfaces.
- Won't twist or curl during application

#### Common Applications

Packaging, wrapping, sealing & waterproofing, seaming, binding & bundling, and general maintenance & repair

#### Storage Conditions

Product should be stored in a cool, dry area in original packaging.

#### Government Compliance

- Tested in accordance with UL-723.
- HUD & BOCA rated
