### Material Number B345350, 749 - 45° Wye C x C x C - Cast

The wye features solder cups. The fitting provides a means of splitting a branch line equally in two directions. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50-year limited warranty. Because
