About Us

Clifco Sheet Metal Manufacturing, LLC opened its doors in Ogden, Utah in 1949 as a premier manufacturer of high quality sheet metal HVAC duct work and fittings.

In 2012 Clifco moved it's operations from Ogden, Utah to Salt Lake City, Utah.

Clifco specializes in a full line of both rectangular duct, spiral duct, PVS coated duct, and fittings.

We carry a full line of both galvanized and aluminum fittings to meet your needs. Clifco also has the ability to manufacturer custom ductwork for a wide variety of residential and commercial applications. Please contact us for quotes and pricing. At Clifco Sheet Metal Manufacturing, LLC we pride ourselves on our quick, efficient, and friendly service.

If you do not see what you need in our product section, contact us and we will do our best to accommodate your needs. For 65 years Clifco has provided the industry with quality duct work.
