Monogram Advantium® 120 Above-the-Cooktop Speedcooking Oven

Features

\$1,499 MSRP*

Speedcook technology

uses halogen light to cook foods to delicious perfection—up to four times faster than a conventional oven—with no preheating required

Four powerful ovens in one

Speedcook, True European Convection, sensor microwave and warming / proofing—offer the ultimate in cooking speed and versatility

Spacious interior

13.6" turntable and two full-width oven racks easily accommodates a roast or three 8-1/2" x 11" casserole dishes

Four-speed, 300 CFM venting system

efficiently clears away smoke and steam from the cooktop

Convenient task lighting

provides three levels of illumination to suit your needs

Flexible above-the-cooktop configuration

Makes the most of your kitchen space

Easy-to-use-controls

Make it easy to select from more than 175 preprogrammed recipes

* Manufacturer's Suggested Retail Price (MSRP)

Actual retail prices may vary by dealer. MSRP applies to the continental 48 United States and does not include such items as delivery, installation, installation accessories (i.e. range cords), or removal of old appliances. Consult your local authorized GE dealer for its prices.
