

# NOTIFICATION OF LENNOX EXTENDED LIMITED WARRANTY

(ONLINE REGISTRATION REQUIRED at [www.lennoxwarranty.com](http://www.lennoxwarranty.com))

Lennox Industries Inc. (Lennox) provides its Elite Series<sup>®</sup> and Merit Series<sup>®</sup> gas furnaces, air handlers, evaporator coils, air conditioners, heat pumps and residential packaged units with a basic five-year limited parts warranty. An extended limited parts warranty is available for select products in the Elite Series<sup>®</sup> and Merit Series<sup>®</sup> product lines. This extended limited warranty is intended to supplement the basic five-year limited parts warranty with an additional five (5) years of limited warranty coverage; therefore, providing a total of ten (10) years of limited warranty coverage for parts. **The extended limited warranty requires online registration.** Other requirements apply in addition to the requirements and exclusions set forth in the basic warranty. This extended limited warranty covers eligible units and parts only and does not include labor.

## COVERED EQUIPMENT

The Lennox extended limited warranty is being offered for select gas furnaces, air handlers, evaporator coils, air conditioners, heat pumps and residential packaged units in Lennox' Elite Series<sup>®</sup> and Merit Series<sup>®</sup> product lines.

## EQUIPMENT ELIGIBILITY REQUIREMENTS

Covered equipment must meet the following requirements:

- 1 - The equipment must be Lennox-branded Elite Series<sup>®</sup> and Merit Series<sup>®</sup> gas furnaces, air handlers, air conditioners, heat pumps and residential packaged units.
- 2 - The equipment must be installed in a "Residential Application." (Residential Application is an owner-occupied, single-family dwelling which includes homes, duplexes and condominiums.) Commercial Applications are not eligible for this extended limited warranty.
- 3 - The equipment must be installed per the manufacturer's instructions by a licensed professional installer, or equivalent.
- 4 - Air handlers, air conditioners, heat pumps and residential packaged units must use R-410A refrigerant. Air handlers, air conditioners and heat pumps must be part of an AHRI-matched system.
- 5 - The system must comply with regional standards.
- 6 - Installation must take place on or after March 1, 2009.
- 7 - The extended limited warranty is being granted to the original purchaser, who must occupy the residence at the time of the warranty claim. The extended limited warranty is not transferable.
- 8 - The equipment must be properly registered at [www.lennoxwarranty.com](http://www.lennoxwarranty.com) within 60 days after the date of installation or closing date, except where prohibited by law. Proof of purchase or closing date may be required.

## TERMS AND CONDITIONS

Unless modified herein, all terms and conditions set forth in the basic warranty remain the same. These include, but are not limited to, component availability, excluded components, repairs, care of equipment, warranty procedures and warranty limitations.
