

## Inline Drinking Water filter AQ-7000

The Aquasana inline filter is useful for cooking, baby formula, hydrating your pets or just plain drinking. Aquasana filters help you deliver clean, filtered water to your family. Water is critical for virtually every process inside our bodies. Health and longevity depend on uncontaminated, effective hydration. Clean water is at the heart of a healthy family.

Provides filtered water for ice makers, refrigerators, water fountains, water coolers, and more!

More effective than standard refrigerator filters.

Filters Out

- Chlorine
- Lead
- Cysts
- VOC's
- THM's
- Turbidity
- Common water contaminants

Made in the USA.

## Pure Satisfaction

All Aquasana products offer a 90-day 100% satisfaction guarantee. (This system includes a 180-day warranty, which covers defects in materials and workmanship.) If for any reason you are not satisfied with your purchase, contact the dealer you purchased from for a full refund (upon return of the product.)

This filter system is designed and tested for use with genuine Aquasana parts, including replacement filters and all hardware. Use of parts from other manufacturers may result in loss of contaminant reduction performance, system damage or failure. Use of parts from other manufacturers will also void your warranty. Contact your Ferguson dealer for all replacement parts.
