

Limited Warranty: This product is warranted, unless otherwise stated, to the user to be free from defects in material and workmanship for a period of one (1) year from the date of purchase or two (2) years from the date of manufacture, whichever is less. To obtain service under this warranty, contact any authorized dealer or return any component which fails during this warranty period to the factory, freight prepaid. The warranty provided herein is in lieu of all other express warranties, and may not be extended or modified by anyone. Any implied warranties shall be limited to the period of this limited warranty, and thereafter all such implied warranties are disclaimed and excluded. Flint & Walling shall not, under any circumstances, be liable for incidental, consequential or special damages, such as, but not limited to, damage to, or loss of, other property or equipment, loss of profits, inconvenience, labor, or other incidental or consequential damages of any type or nature. The liability of Flint & Walling shall not exceed the price on the product upon which such liability is based.

This Warranty gives you specific legal rights, and you may have other rights which vary from state to state. Some states do not allow limitations on duration of implied warranties or exclusion of incidental or consequential damages, so the above limitations may not apply to you.

If you have any questions concerning this or any of our policies and procedures, please do not hesitate to contact your Sales Representative.
