

UTILITY RECIP BLADES

OVERVIEW

Compatible with all MILWAUKEE® SAWZALL®, HACKZALL®, and all other recip saws, MILWAUKEE® Scraper Blades convert several slow and strenuous hand tool applications into fast and effortless tasks. These blades provide a comprehensive solution across the spectrum of soft and hard materials. Features include induction-hardened edges for maximum durability, a corrosion-resistant coating for longer life, and chamfered corners for greater control. The Scraper Blades offer a great solution for removing materials such as linoleum flooring, strong adhesives, paint, glue, thin-set, drywall mud, rust, etc. In addition to the Scraper Blades, the Grout Removal Tool is designed to quickly and accurately remove grout. The coarse carbide grit effectively removes all epoxy and cement-based grout types.

FEATURES

- Induction Hardened Edge for maximum durability
- Winged Tang reduces breakage
- Corrosion Resistant Chrome Coating for longer life

UTILITY RECIP BLADES

| Description          | Part No.   |
|----------------------|------------|
| 1-1/2" Scraper Blade | 49-00-5463 |
| 3" Scraper Blade     | 49-00-5456 |
| 5" Scraper Blade     | 49-00-5455 |
| Grout Removal Tool   | 49-00-5450 |
