

Wymara 1 features a concealed drain cover. Shown below with cover removed.

Wymara 1

Model # MTCS-712

19.875" x 15.875" x 4.625"

Installation: vessel-style or undermount

Lead Time - 10 Business Days

NOTES:

- Measurements are $\pm 1/2"$ and are subject to change without notice. Data herein supersedes all previous prior to publication date indicated below.
- Undermount installation may require additional bracing and is the responsibility of the installer.

CONSTRUCTION AND STANDARD FEATURES

- Single-bowl design; 1.5" drain opening.
- Sink has no overflow. Requires vessel-style drain kit without overflow. Check local codes.
- One-piece construction using Engineered Solid Stone (ESS) material, which is solid through and through.
- ESS is a mixture of ground natural materials and binding agents that are liquefied, poured and then hardened.
- This material is non-porous, stain-, mold- and mildew-resistant, making cleaning and maintenance easy.
- Approximately 65% of the material is organic, including minerals mined from the earth, making it "Green".
- Same material and color all the way through, with minor variations due to use of natural minerals.
- Five-Year Limited Residential Warranty.
- Shipping weight: 35 lbs.

***Environmentally Responsible**

MTI uses only 100% U.S.-certified legal, reclaimed, sustainable teak. A replacement tree is planted 20 years before a tree is harvested. The teak used in MTI products is imported from reputable suppliers bordering Myanmar. MTI suppliers observe all international laws regarding labor and conservation. All of the teak used by MTI is harvested from reclaimed forests and is absolutely not endangering or depleting rain forests.

Wymara 1 shown with drain cover removed.
