Required Electrical Service:

Low-voltage connection from TSG generator via multi-conductor cable (supplied).

TSC-450

Notes

Installation Notes:

Surface Mount - 1½" hole required.

Must mount inside the steam room.

Steamist recommends that the multi-conductor cable be run through ¾" conduit to protect cable from damage and to facilitate easy replacement.

Mount control near seating area and not above steamhead.

Rough-in Notes:

Control should be mounted 48" above the floor.

Steamhead to be mounted 18" above the finished floor or 6" above the rim of the tub and as far from the seating area as possible.

Product No. - Finishes:

350-PC - Polished Chrome

350-PN - Polished Nickel

350-BN - Brushed Nickel

350-PG - Polished 24K Gold
