### Material Number 9078600, 90° Elbow Long Radius C x C - Wrot, 607-LT

The 90-degree elbow features solder cups and a long turn radius. The fitting provides a means of changing the pipeline direction 90 degrees. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50-year
