## GE® Dishwasher with Front Controls

### Features and Benefits

- GE's most advanced wash system - Consistently clean, dry and sanitized dishes are ensured with GE's most advanced wash system, combining 65% more wash power\* with advanced performance features \*Wash power delivered to each rack. Compared to previous GE models
- Piranha™ hard-food disposer with removable filter - To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles. The disposer helps to prevent large particles from clogging the wash arms
- 3 pressurized, full-coverage wash arms - Expect exceptionally clean and table-ready dishes with powerful wash arms that deliver 65% more wash power to the top and bottom racks compared to previous GE models\* (\*Wash power delivered to each rack)
- Dedicated Silverware Jets - Get table-ready silverware thanks to powerful jets that focus on silverware baskets in multiple locations
- SpaceMaker® Silverware Basket - Enjoy table-ready silverware and loading flexibility with this unique basket that can be placed on the rack or onto the door
- Sharkskin gray racks with ball tip tines - Offers durability and secures dishes
- American gray plastic interior - Heavy-duty material is designed for years of dependability and has an attractive finish
- 4-pass wash and dry element - Items come out consistently clean and dry with the help of this element, which quickly heats water for washing and air for drying
- Model GDF510PSDSS – Stainless steel
- Model GDF510PGDWW – White on white
- Model GDF510PGDBB – Black on black
- Model GDF510PMDSA - Silver
