Purchaser is aware and informed that the Elkay sink being purchased is made up of a copper-nickel alloy. Some literature reports that some persons may have allergic reactions when exposed to nickel-containing substances. Purchaser should insure that reasonable precautions are taken in this regard. Elkay and purchaser agree that should a claim or litigation arise wherein a person is seeking damages due to an alleged allergic reaction to these substances, that purchaser will indemnify, defend and hold harmless Elkay for any damages and the costs of litigation for any such claim.

In keeping with our policy of continuing product improvement, Elkay reserves the right to change product specifications without notice. Please visit elkayusa.com for most current version of Elkay product specification sheets.

This specification describes an Elkay product with design, quality and functional benefits to the user. When making a comparison of other producers' offerings, be certain these features are not overlooked.
