DiverseyTM
for a cleaner, healthier futureTM

JohnsonDiversey is a leading global provider...

of sustainable commercial cleaning, sanitation and hygiene solutions serving the lodging, foodservice, retail, healthcare, education and food and beverage sectors as well as building service contractors.

JohnsonDiversey offers extensive applications in floor care, floor safety, food and beverage sanitation and operational efficiency, food safety, laundry, kitchen hygiene and warewashing equipment, as well as general cleaning and sanitation. Value-added services include safety and application training, consulting and hygiene auditing.

Protect. Preserve. Transform.

Our Sustainability Position:

We **Protect Lives** by producing superior products and programs that make food, drink and facilities safer and more hygienic.

We **Preserve the Earth** for future generations by continually reducing the environmental impact of our products and our operations.

We **Transform our Industry** by providing innovations and expertise that make our customers' enterprises more economically sustainable.

We have a far greater impact on sustainability together with our suppliers and customers than if we acted alone.

At JohnsonDiversey, our Purpose defines our triple bottom line. Articulated by action... what we do for our customers as well as our own company.

JohnsonDiversey offers a full line of certified and environmentally-preferable chemical products, tools and equipment. Certified products by independent third parties such as Green Seal and Environmental Choice include the following product categories:

Green Products

- Floor Finishes/Sealers
- General Purpose Cleaners
- Floor Finish Strippers
- Restroom Cleaners
- Industrial Degreasers
- Carpet Cleaners

Dispensing Technology

We continuously develop dispensing innovations that precisely dilute concentrated products with tap water. This makes cleaning safer, more cost-effective and more sensitive to the environment. Innovative systems include the RTD®, Optifill™/MC and SmartDose™/MC dispensing systems.

Stewardship in Product Design

JohnsonDiversey has a long tradition of environmental stewardship and a commitment to sustainability. A key part of the company's mission is to provide solutions for customers that help them become more sustainable. Therefore, products are designed with technologies that help save water, prevent waste, and minimize impact on health, safety and environment.

- JohnsonDiversey scientists follow the company's Global Action List (GAL) when developing products. The GAL is a unique chemical-use policy which prohibits or restricts the use of more than 60 chemicals.
- Specific policies are in place for the safe use of materials such as dyes, fragrances and preservatives to assure that products are safe for end users and the environment when used properly.
- All formulas are reviewed by JohnsonDiversey toxicologists to assess human and environmental risks. Formulas posing unacceptable risk are not approved for production. All product testing must comply with JohnsonDiversey's highly restrictive Animal Testing Policy.

Because of a strong commitment to product stewardship, JohnsonDiversey is an industry leader of green products. To meet the growing demand for third-party validation of environmental, health and safety claims, JohnsonDiversey has earned third-party product certification from Green Seal, Environmental Choice and the GREENGUARD Environmental Institute. In fact, JohnsonDiversey is the only company to have earned GREENGUARD Certification for Indoor Air Quality on a cleaning system, including chemicals, microfiber and Healthy High Performance Cleaning Procedures.

JohnsonDiversey recognizes its responsibility as a cleaning product manufacturer to produce products that do not harm human health or the environment.

In 2008, the World Wildlife Fund (WWF) accepted JohnsonDiversey for membership in its Climate Savers program, the most aggressive and most prestigious program in the world aimed at reducing green house gas emissions. This represents a major commitment on the part of JohnsonDiversey, one that reflects our century-long heritage of environmental stewardship.

*GREEN SEAL CERTIFIED® Logo is a registered certification mark owned by Green Seal, Inc.

*ECOLOGO® Logo is a certification mark owned by Terrachoice Group, Inc.

*GREENGUARD Indoor Air Quality Certified® is a certification mark of Air Quality Sciences, Inc.

These products are the foundation of JohnsonDiversey's ResponsibleSolutions® program, which includes more than 90 sustainability initiatives around the world. These green products have earned third-party certification from Green Seal®, EcoLogo® and GREENGUARD® as noted below.

INNOVATIONS IN

Disinfection

New fast-acting disinfectants can help reduce healthcare acquired infections.

A key part of an effective environmental sanitation program is the disinfectant technology. AHP® technology is a patented technology that is a synergistic blend of commonly used cleaning ingredients and hydrogen peroxide, which provides good cleaning and short contact times for disinfection of hard surfaces.

Disinfect hard, non-porous surfaces in as little as 60 seconds.

See page 57 for additional information.

INNOVATIONS IN

Dilution Control

Mixing concentrated cleaning products just got simpler, safer and smarter.

The patent-pending SmartDose™ System allows you to easily, safely and accurately dose concentrated cleaning products. This sustainable solution delivers better cost control than any other current dosing system. *See page 48 for additional information.*

INNOVATIONS IN

Foodservice/Warewashing

Manual warewashing meets high technology... Optifill™ – Perfectly precise, consistently clean

Optifill™ is a maintenance-free delivery system with super-concentrated product formulas all rolled into one. You save time by eliminating traditional dispensing equipment downtime and complicated training. And you save money by eliminating costly mistakes and waste. You also get sparkling results time after time. This combination of high-powered product and advanced dilution control is remarkably easy to use. Out-of-the-box ready, each unit is sealed so it's safe and easy to handle. *See pages 123 for additional information.*

INNOVATIONS IN

Floor Finish Applicator System

Big Job or Small Job —It's Now an Easy, Time-Saving, Economical Job

ProSpeed^{TM/MC}

Floor Finish Applicator System

- Up to 3X faster than mop & bucket
 - Covers at a rate of 130 sq. ft. per minute
 - Ideal for small areas — 2,000 sq. ft. or less
 - Minimal set-up and clean-up time
 - Greatly reduces finish waste
 - Dramatically reduces physiological impact on user
 - Consistent, high-quality results
 - Works with a variety of JohnsonDiversey finishes
- See page 31 for additional information.

Finish Fast. Finish Easy. Finish Green.
Great Finish.

TrailBlazer^{TM/MC}

Floor Finish Applicator System

- Up to 9X faster than mop & bucket
 - Covers 20,000 sq.ft./hour
 - Ideal for larger areas — 2,000 sq. ft. or more
 - Allows you to spend time on the job, not preparation and clean-up
 - Minimal training is needed
 - Up to 93% reduction in chemical waste
 - Up to 80% reduction in water waste
 - Specialized pump maintains consistent finish thickness regardless of walking speed
 - Outstanding results and flawless floors every time for even the most novice users
 - Works with all JohnsonDiversey finishes
- See page 32 for additional information.

TOOLS & ACCESSORIES

High Impact Floor Cleaning System with Microfiber Pads

Delivers rapid, high-efficiency cleaning on all types of floors, significantly reducing overall operating costs while providing substantial environmental and ergonomic benefits. Part of the JohnsonDiversey GREENGUARD® Certified System.

Applications

Damp mopping, wet mopping and dust mopping for a wide variety of customer sectors, such as retail, lodging, foodservice, government, healthcare, education and BSCs.

- Simple and safe
- Efficient
- Ergonomic
- Flexible

Use for damp mopping on all types of structured flooring. Use on floors that are heavily soiled. Guaranteed for up to 500 washes. Only available for 60 cm Pace Tool.

Pace® Microfiber Multi-Surface Pad (Green):

Use for damp mopping on all coated, hard, flat floor surfaces. Use in areas that demand frequent cleaning and disinfection. Guaranteed for up to 500 washes.

Pace® Microfiber Disposable Blended Microfiber Pads:

Use on hard, flat, floor surface areas. Ideal when laundry facilities are not available.

CARPET CARE

Carpet Cleaners	36
Daily Spotters	36-38
Hydrogen Peroxide Cleaners	38
Odor Control	39
Specialty Spotters	39
Carpet Care Overview	40

JohnsonDiversey's carpet care product line delivers results when using traditional or green cleaning methods.

Half of all floors in North America are carpeted and require specific products to be properly maintained. JohnsonDiversey provides a range of daily, interim and restorative cleaning products for all types of carpets. The daily products include a wide range of daily and specialty spotters, interim includes both low moisture and traditional shampoo products, and for the ultimate in clean carpets, we also have a full line of traditional extraction chemicals.

Carpet Cleaners

BonnetB uff

Formulated for spin bonnet cleaning, does not cause resoiling and combines powerful solvents for effective cleaning. SKU 5002700 is clear in color with a fruity floral scent; SKU 04973 is clear straw in color with a citrus scent.

SKU	Pack Size	Dilution Ratio	pH Concentrate	pH Dilution	Country of Sale
5002700 S	4 x 1 gal./3.78 L Containers	1:8	9.4	8.5	USA, Canada
04973 S	2 x 84.5 oz./2.5 L J-Fill®	1:40	9.8	8.5	USA, Canada

CarpetSh ampo

Works with rotary and dry foam methods. Leaves no tacky residue which can lead to resoiling. Clear straw in color with a fruity, floral scent.

SKU	Pack Size	Dilution Ratio	pH Concentrate	pH Dilution	Country of Sale
5002689 S	4 x 1 gal./3.78 L Containers	1:16, 1:32	8.2	7.6	USA, Canada

ExtractionR inse

Flushes out and removes detergent residues that cause resoiling. Safe on all types of carpets, including wool. Colorless with a fruity floral scent.

SKU	Pack Size	Dilution Ratio	pH Concentrate	pH Dilution	Country of Sale
03730 S	4 x 1 gal./3.78 L Containers	1:128, 1:640	3.2	2.8	USA, Canada
3515042 S	2 x 1.5 L RTD® (SC)	1:256, 1:540	3.2	4.2	USA, Canada
03727 S	2 x 84.5 oz./2.5 L J-Fill® (SC)	1:256	3.2	4.2	USA, Canada

Extraction SC Carpet Extraction Cleaner

Use as a pre-spray, bonnet buff or extraction cleaner. Low-foam formula works with today's high-pressure extractors. Contains corrosion inhibitors to protect equipment. Colorless with a floral fresh scent.

SKU	Pack Size	Dilution Ratio	pH Concentrate	pH Dilution	Country of Sale
03844 S	4 x 1 gal./3.78 L Containers	1:12, 1:128	9.1	8.5	USA, Canada
04972 S	2 x 84.5 oz./2.5 L J-Fill®	1:256	9.1	8.7	USA, Canada
03674 S	6 x 32 oz./946 mL AccuMix®	1:160, 1:320	9.1	8.7	USA, Canada

CARPET CARE OVERVIEW

Carpet Spotter Guide

Percolator and General Purpose Spotter are effective on a wide variety of spots and stains. If spots remain after its use, follow the recommendations outlined on the Stain Chart. First, identify stain/spot on chart then apply spotters in order shown on chart—1 for first product, followed by product 2, etc., until spot is gone.

Stain Chart	Percolator™/MC	General Purpose Spotter	P.O.G. Spotter Gel	Citrus Express Gel	Tannin Stain Remover	Delible Ink Remover	Red Juice Remover	Gum Remover	Protein Spotter	Stench and Stain Digester	Water Rinse

CARPET CARE TIPS

General Spotting Rules:

Identify stain and use appropriate spotter(s). If stain cannot be identified, use General Purpose Spotter or Percolator. If stain remains, use Paint, Oil, and Grease Spotter Gel or Citrus Express Gel. Follow with a thorough rinsing so no cleaner residue is left in carpet.

Difficult Spots and Stains:

Asphalt Tracking: Vacuum thoroughly before applying diluted HD Prespray. Agitate with a carpet rake, extractor or brush and let sit for 10 minutes to loosen soils. Extract according to directions. Dry carpets as quickly as possible.

Reoccurring Spots:

This occurs because excessive soil or detergent from spotter remains in carpet. Remove by recleaning with appropriate spotter, rinse until thoroughly clean and blot dry.

Preventing reoccurring spots from wicking:

- When spotting, be sure to blot until all of the liquid is removed.
- Dry the carpet as quick as possible using carpet fans or some type of air mover.
- Use a carpet rake. Depending on the thickness of the pile of the carpet, using a carpet rake can decrease drying time by at least 30 percent.
- Do not overwet the carpet.

* Follow OSHA Bloodborne Pathogen standards for blood stains

DILUTION CONTROL SYSTEMS

JohnsonDiversey has a strong heritage in the innovation of dispensing systems. We are continually developing manual, water-driven or electronic dosing systems that deliver application-specific solutions for our customers. JohnsonDiversey strives to deliver diverse dispensing platforms to fit your needs. Systems range from the J-Fill® and Solutions Center® wall-mounted systems to the portable RTD® (Ready to Dispense) dispensing platform. The patent-pending SmartDose™ System allows you to easily, safely and accurately dose concentrated cleaning products.

J-FILL® DISPENSING SYSTEMS

J-Fill® wall-mounted and portable automatic dilution control/dispensing systems.

J-Fill® QuattroSelect® Dispensing System

J-Fill® QuattroSelect® wall-mounted dispenser accurately dispenses four products and rinse water with a push of a button.

Description of Contents	SKU	Shipping Weight	Country of Sale
1 x J-Fill® QuattroSelect® Air Gap dispenser	3764735	19 lbs.	
1 x J-Fill® QuattroSelect® Safe Gap dispenser	3754220	19 lbs.	

J-Fill® Duo™/MC Dispensing System

Accurately dispenses two J-Fill® products and rinse water into spray bottles or buckets/autoscrubbers with a push of a button. Rugged stainless construction.

Description of Contents	SKU	Shipping Weight	Country of Sale
1 x J-Fill® Duo™/MC wall-mounted dispenser	04379	11.5 lbs.	

J-Fill® J-100™/MC Single Station Dispensing Unit

Compact, wall-mounted single station dispensing unit. Can be joined together to create a multi-unit dispensing system.

Description of Contents	SKU	Shipping Weight	Country of Sale
1 x J-Fill® J-100™/MC Low Flow Bottle Fill	3163577	4.8 lbs.	
1 x J-Fill® J-100™/MC Bucket/Scrubber Fill	3163585	4.8 lbs.	

J-Fill® Hand Held Portable Dispenser

Portable hand held dispenser that dispenses a wide variety of cleaners and disinfectants for any job.

Description of Contents	SKU	Shipping Weight	Country of Sale
1 x J-Fill® Hand Held portable dispenser	04711	3 lbs.	
12 x J-Fill® wall-mounted wire baskets	04713	11.1 lbs.	
1 x J-Fill® Foamer	14700	5.5 lbs.

ACCUMIX® PORTION CONTROL SYSTEM

The accurate solution to cleaner dilution.

AccuMix® is the unique cleaning system with a built-in accurate measuring spout. Simply loosen the cap, squeeze and pour the concentrate into a bucket or scrubber tank. Get the right proportions every time. No measuring hassles, less product waste.

COMMAND CENTER™ DISPENSING SYSTEM

The ultimate dilution control system.
The push-button dispensing system that dilutes market-proven products.

SIMPLICITY. No mixing by hand. Products are numbered and color-coded for simple identification and easy training.

ECONOMY. No plug-plug mixing, no waste. Saves time. Super-concentrated products. Less inventory. Less packaging waste.

VERSATILITY. Products for a wide range of maintenance needs. Dilution control wherever you need it.

SAFETY. No chemical contact. No spills or leaks.

Suma® Kitchen Degreaser D2.4

Suma® Kitchen Degreaser is a highly concentrated blend of surfactants that delivers superior degreasing of hard surfaces. It can be used for most surfaces in a foodservice environment, and it is non-corrosive — even in its concentrated form. It produces thick long-lasting suds which help to cut through grease and penetrate and lift soils off of surfaces, but rinses easily without leaving residues. Dark green in color with a characteristic scent.

FLOOR SCIENCE®

- The most simplified system ever—backed by JohnsonDiversey, the most respected name in the industry.
- Four coordinated products—assure peak performance the first time, every time... minimize product costs and inventory requirements.
- One premium universal sealer/finish—produces excellent results on virtually any hard floor... responds beautifully to any maintenance program.
- Numbered and color-coded packaging with labeling in three languages—reduces training time, helps eliminate mistakes and do-overs.

Floor Science® Floor Care System

Effective on virtually all hard floor surfaces and with any maintenance program:

- Mop/Scrub/Recoat (MSR)
- Low-Speed/High-Speed Spray Buff (SB)
- ▲ Ultra-High-Speed Burnish (UHS)

	Preparation		Regular Maintenance			Periodic Maintenance

Product:	Stripper #1	Finish #2	Cleaner #3	Spray Buff #4	None	Cleaner #3	Finish #2
Machine:	Mop or Scrubber	Mop	Mop or Scrubber	175–1500 RPM Buffer	2000–3000 RPM Burnisher	Mop or Scrubber	Mop
Pad:	Brown/Black on Scrubber	None	Red on Scrubber	Red Buffing, Check with Supervisor	Aqua UHS Buffing (or equivalent). Check with Supervisor.	Blue/Green on Scrubber	None
Directions: NOTE: Read all instructions and cautions on product labels.	<ol style="list-style-type: none"> 1. Remove gross soil (gum, labels, etc.), then dust mop floor. Mix one part stripper to four parts hot water in a bucket. 2. Apply solution liberally and uniformly to floor with clean mop. Avoid splashing. 3. Allow solution to remain on floor for 5 to 7 minutes. Do not let it dry. 4. Scrub floor thoroughly with floor machine or auto scrubber. 5. Pick up solution before it dries with wet vac, autoscrubber or a separate mop. 6. Rinse floor thoroughly with clean water and clean mop. Allow floor to dry completely before applying finish. 	<ol style="list-style-type: none"> 1. After floor has been stripped, pour finish into clean bucket. 2. Use clean rayon mop. Dip mop in finish. Squeeze out excess finish. Do not use wringer. 3. Outline area with mop. Apply finish uniformly, filling in outlined area with figure-eight motion. Stay away from edges. 4. Allow 30 to 45 minutes drying time between coats. 5. Apply 2 to 3 coats (more for UHS program). Last finish coat should cover all edges. 	<ol style="list-style-type: none"> 1. Remove gross soil (gum, labels, etc.), then dust mop floor. 2. For daily cleaning, dilute 1:32 (4 ounces per U.S. gallon) in a bucket, or 1:128 (1 ounce per U.S. gallon) in an auto scrubber. 3. Damp mop in figure-eight motion, or operate autoscrubber in overlapping pattern. 4. Pick up excess solution with mop or auto scrubber. <p>Note: No rinsing is required unless you will be recoating.</p>	<ol style="list-style-type: none"> 1. Remove gross soil (gum, labels, etc.), then dust mop floor. Damp mop area if necessary (heavier than normal soil load). 2. Fill spray bottle with spray buff solution. 3. Spray a 4' x 6' area and make one pass to spread buffing solution. Make two more passes to buff and dry. Change pad as needed. 4. Dust mop if dust is present. 	<ol style="list-style-type: none"> 1. Clean floor with auto scrubber or mop (refer to directions under "Clean" column). 2. Operate the burnisher in a straight line over floor. Make overlapping passes. Change pads frequently. 3. Dust mop if dust is present. 4. Recoat floor as needed to keep floor protected. 	<ol style="list-style-type: none"> 1. Remove gross soil (gum, labels, etc.), then dust mop floor. 2. For deep scrubbing, dilute 1:32 (4 ounces per U.S. gallon) in a bucket, or 1:64 (2 ounces per U.S. gallon) in an autoscrubber. 3. Scrub floor thoroughly with floor machine, autoscrubber or wet mop. 4. Pick up excess solution with mop or scrubber, then rinse floor thoroughly with clean water and clean mop or autoscrubber. <p>Note: Always rinse prior to recoating.</p>	<ol style="list-style-type: none"> 1. After floor has been scrubbed, pour finish into clean bucket. 2. Use clean rayon mop. Dip mop in finish. Squeeze out excess finish. Do not use wringer. 3. Outline area with mop. Apply finish uniformly, filling in outlined area with figure-eight motion. Stay away from edges. 4. Allow 30 to 45 minutes drying time. 5. Apply a second coat if desired.

Glade® Aerosols

Eliminates strong persistent odors with clean scent—not a heavy perfume. Use in commercial, industrial or institutional buildings. Trilingual packaging.

Mr. Muscle® Chlorinated Cleanser

Multi-surface powdered cleanser. Specially formulated with chlorine bleach to easily remove tough stains, corrosion and soils. Cleans and deodorizes gently without scratching. Rinses clean to a sparkling shine.

91210

24 x 21 oz./595 g

NR

Mr. Muscle® Fryer Boil-out

Frequent cleaning with Mr. Muscle® Fryer Boil-Out enhances the characteristics of equipment and improves the quality of fried food. A clean fryer operates more efficiently and lasts longer. Carbonized grease that has accumulated on the interior surface of the fryer imparts a rancid flavor to deep-fried foods. This problem is eliminated with routine use of Mr. Muscle®, as shortening stays fresher and works longer in equipment that is cleaned on a regular basis. Portion control pouch helps simplify product handling, eliminates waste and control cost. Low-foaming formula degreases and cleans foodservice fryers, while preventing boil over. Heat and chemical action combine to penetrate, emulsify and clean away built-up grease. Eliminate the need for neutralizing. Non-corrosive. Contains no phosphates. NSF A8 Registered.

91209

36 x 2 oz./59 mL

NR

Mr. Muscle® Oven & Grill Cleaner

Institutional formula with heavy-duty cleaning power for fast and easy cleaning of institutional, industrial and commercial surfaces. Works immediately on warm or cold ovens. Self-scouring action with unsurpassed clinging ability starts breaking down tough, baked-on grease and grime on contact, for less scrubbing. Dual usage for quick jobs or time lapse actions. Cleans a variety of surfaces—specially designed to effectively clean institutional, industrial and commercial surfaces including: stainless steel, porcelain enamel, iron, undecorated ceramic tile, concrete and glass. Mr. Muscle® Cleaner works especially well on ovens, grills, broilers, ventilating hoods, splash panels, steam table-tops, pots, pans, fryers and griddles. Use also on oven doors, fronts, windows and racks. Aerosol contains no CFCs. Packaging labels are bilingual (English and French).

90156	6 x 32 oz./ 946 mL		NR	12.8

VANISH® Non-Acid Bowl & Bathroom Cleaner II

Cleans and disinfects in one step. Powerful quaternary detergent thickened liquid for toilet bowls, urinals and general purpose bathroom cleaning and disinfecting. Bactericidal, Virucidal, odor neutralizer and deodorizer. Disinfects against the following organisms on hard, non-porous environmental surfaces: Staphylococcus aureus, Pseudomonas aeruginosa, Salmonella choleraesuis. Hospital-grade. Evaluated and found to be an effective virucide in the presence of 10 percent serum against the AIDS virus on inanimate surfaces.

90158	6 x 32 oz./ 946 mL	70627-3	NR	7
-------	--------------------	---------	----	---

VANISH® Thick Liquid Disinfectant Bowl Cleaner

Disinfects in one minute! 9.25 percent hydrochloric acid formula is extra thick to cling to the sides of the bowl. Cleans, disinfects and deodorizes toilet bowls and urinals. Dissolves limescale and uric acid deposits and stains. One-step, hospital-grade cleaner/disinfectant. Kills Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, E. coli 0157:H7, Methicillin Resistant Staphylococcus aureus (MRSA), HIV-1 (AIDS virus), Hepatitis A Virus, Herpes Simplex 1 and 2.

90157	12 x 32 oz./ 946 mL	70627-5	EX-4	1
-------	---------------------	---------	------	---

VIM® Cream Cleanser

Non-abrasive ammoniated cream cleanser. Powerful institutional formula. Value priced.

4534798	12 x 887 mL			10.5
---------	-------------	--	--	------

Whistle® Concentrate All Purpose Cleaner

Special formula for heavy-duty cleaning. Use on washable hard surfaces, chrome appliances and fixtures. No rinsing or streaking. No phosphates. Trilingual packaging. Multi-surface: use on walls, floors, woodwork, cabinets, counters, ceramic tile, stainless steel, chrome, tiles and more. Concentrated for use at various dilution rates depending on soil load.

SKU	Pack Size	EPA / PCP	PH Concentrate DOT	Country of Sale
91218	4 x 1 gal./3.78 L		NR	11.5

Whistle® Degreaser/Disinfectant Tb

Whistle® Degreaser/Disinfectant Tb is designed specifically as a general non-acid cleaner and disinfectant for use in hospitals, nursing homes, schools and hotels. Tuberculocidal, fungicidal, virucidal, kills Hepatitis B and HIV. Formulated to disinfect hard, non-porous environmental surfaces such as walls, sink tops, tables, telephones, glazed ceramic tile in bathrooms, shower stalls, bathtubs and cabinets. May be used in the kitchen on counters, sinks, appliances and stove tops. A rinse with potable water is required for surfaces in direct contact with food. Do not use on eating utensils, plates or glasses. Deodorizes areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, basements, restrooms, and other areas which are prone to odors caused by microorganisms.

91330	6 x 32 oz./ 946 mL	70627-2	NR	12.2
-------	--------------------	---------	----	------

Whistle® Trigger Sprayers All Purpose Cleaner

Special ammoniated formula for heavy-duty cleaning. Use on washable hard surfaces, chrome appliances, fixtures. No rinsing or streaking. No phosphates. Trilingual packaging. PrismCare™

C O R P O R A T I O N

2010 Product Catalogue

prismcare.ca | eco-max.ca

Our office and manufacturing facility are bullfrogpowered™ with 100% green electricity.

All products bearing the EcoLogo™ symbol are EcoLogo certified, representing environmental leadership. EcoLogo™ is North America's most respected multi-attribute environmental leadership standard setting and certification program. The certification category is displayed on the label of every certified product.

WHY ECO-MAX?

Proven Performance

Eco-Max products are proven to exceed high performance standards.

Low Oral Toxicity

Eco-Max products are among the least toxic cleaning products sold in the marketplace. The calculated LD50 of Eco-Max products is >14,000 mg/kg of body weight. The oral toxicity of water is 14,500 mg/kg of body weight.

Low Aquatic Toxicity

Based on the ingredients used and/or independent laboratory testing, Eco-Max products are among the least toxic toward aquatic species.

100% Sustainable Ingredients

100% of the ingredients in Eco-Max products are plant based and truly renewable and sustainable unlike many other natural products.

100% Readily Biodegradable Ingredients

100% of the ingredients in Eco-Max products are readily biodegradable unlike many other natural products.

No Indoor Air Pollution

Enjoy enhanced Indoor Air Quality (IAQ) because Eco-Max products do not contribute to Indoor Air Pollution.

No Toxic Ingredients

Eco-Max products do not contain commonly used toxic ingredients such as petroleum solvents, alcohols, synthetic solvents, d-limonene, synthetic surfactants, phenol ethoxylates, EDTA, NTA, phosphates, silicates, artificial fragrances, toxic dyes, optical brighteners, mineral acids or alkalis.

EcoLogo™ Certified Products

With over 125 SKUS for home and commercial use, Eco-Max offers the widest selection of 100% plant based natural cleaning products that are Eco-Logo™ certified.

Used in facilities across Canada

Following is a small sampling of the commercial facilities where Eco-Max products are used: Environment Canada, Industry Canada, Canada Post, Public Works Canada, Queens Park, Toronto Pearson Airport, Bell Mobility, Telus, Royal Bank, Bank of Montreal, CIBC, Scotia Bank and many other Federal and Provincial buildings, Schools, Nursing Homes, Office Buildings, Industrial Buildings, Day Care Centres, Fitness Centres, Spas, Hotels, Casinos, Airports etc.

Mitigate Global Warming

Use of Eco-Max products help us reach our goal of reducing greenhouse gas emissions that contribute to Global Warming.

Glass Cleaners

A Family of Glass Cleaners

A non-streaking, zero VOC, Green glass cleaner ideal for use in buildings practicing scent free and clean air policies. These premium, EcoLogo™ certified formulations utilize potent cleaning ingredients derived from natural, renewable and sustainable botanical resources. It is coloured with blue food colouring and incorporates an inert, non-toxic surface protectant that revitalizes surfaces and inhibits soil redeposition, keeping glass surfaces looking clean longer than other leading products. Surfaces do not need to be wiped completely dry, as these cleaners will air dry to reveal a clean, streak-free shine.

Health & Environmental Impact

 General Purpose Spray & Wipe Cleaner: Dilute 1:12 with cold water.
 Floor Cleaner: Dilute product 1:64 or 2 oz. per gallon with cold water.

Bio-Technology Cleaners

BioFactor Biological Urinal Blocks & Screens

The millions of non-pathogenic bacteria released from the urinal block combined with protease enzymes and potent cleaning agents degrade uric acid, the leading cause of odours in urinals. This process totally eliminates foul odours from urinals, pipes and traps naturally. By degrading the crystalline structure of uric acid crystals, the powerful biological agents keep urinal traps and pipes from clogging, reducing maintenance costs.

Ready to Use Biological Urinal Blocks

Concentrated

Carpet Shampoo

Product Codes

4x4L Jugs	CC502-04
20L Pail	CC502-20

Description

This concentrated formulation penetrates deep into the pile and lifts out dirt and grime, restoring carpets to their best possible appearance. All organic ingredients in this product are readily biodegradable. It is non-combustible and does not contain Butyl Cellosolve, Phosphate or Phenol Ethoxylates.

Spotlight™

Floor Care

Ready to Use Spray Buff

Product Codes

4x4L Jugs FC206-04

Description

This ready to use product cleans and revitalizes worn or dull looking floor finish. This premium product contains a surfactant that easily removes soils, black heel marks and scuff marks while the optimized emulsion blend leaves behind a protective coating that produces an ultra high gloss when buffed.

Concentrated High Traffic Floor Finish

Product Codes

4x4L Jugs FC203-04

20L Pail FC203-20

Description

This work horse floor finish incorporates the latest polymer technology to provide unsurpassed initial gloss & definition of image, gloss retention, detergent resistance, black heel mark resistance and durability. The product of choice for use in heavy traffic environments. Sealer not required.

Concentrated Ultimate Floor Finish

Product Codes

4x4L Jugs FC202-04

20L Pail FC202-20

Description

Create a lasting impression with this premium floor finish that outlasts other leading finishes. It combines the high end look with very low maintenance requirements. The response to low speed, high speed or ultra high speed burnishing is exceptional. Sealer not required.

Concentrated Stone Floor Sealer/Finish

Product Codes

4x4L Jugs FC204-04

20L Pail FC204-20

Description

This versatile product demonstrates outstanding performance. It is specially designed to protect and beautify marble, natural stone, terrazzo and concrete. This premium product seals and finishes in one easy step. It adheres to virtually all stone surfaces and has unsurpassed gloss and water resistance. Works well in low and high maintenance programs.

Concentrated Super Stripper

Product Codes

4x4L Jugs FC208-04

20L Pail FC208-20

Description

This premium, high performance, low odour floor finish stripper is the product of choice when reduced stripping time is a priority. It is suitable for mop-on, mop-off application or for use with floor scrubbers.

A Family Company

Founded in April 1999, Prism Care Corporation is a Canadian leader with a single minded focus on providing environmentally responsible cleaning solutions for use in commercial facilities as well as homes. Our commitment to cleaning for health and the environment is reflected in our ongoing research and development of market leading, high performance, natural cleaning products that surpass stringent certification requirements here and abroad. We incorporate the latest, leading edge Green technologies to provide safer, sustainable alternatives for a wide array of cleaning applications.

As a manufacturer, we believe in building strong, lasting relationships, while embracing a level of transparency that fosters an undeniable trust between ourselves and our customers. It is because of these strong bonds that our Green cleaners are now experienced by Canadians nationwide in both homes and commercial buildings.

By partnering with us, our customers are taking a direct approach in practicing environmental leadership. In doing so, they take advantage of our extensive expertise via in-depth training seminars and benefit from our rapidly growing presence.

We are immensely grateful to all the distributors, building service contractors, decision makers and safety committees at all levels of government and in corporations for supporting our cause in making the concept of 'Cleaning for Health and the Environment' a reality across Canada.

We invite you to Discover True Green.
