### Material Number 9177600, Flush Bushing Ftg x C - Wrot, 618

The flush bushing features a male solder end and solder cup. These fittings provide a means of reducing the size of a line. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50-year limited warranty.
