- Manufactured from 1120 1220 PVC – bears the NFS Seal of Certification.
- The heavy wall of Schedule 80 PVC enables the pipe to withstand the handling required by the application.
- The smooth interior improves flow characteristics, cuts friction loss.
- Light-weight – approximately one-fourth the weight of schedule 40 iron pipe.

- Easy to install – furnished in 20' lengths with thread protectors on each end, or with coupling and thread protector.
- Not subject to rust, corrosion or electrolytic deterioration – many years of longevity.
- More economical than alternate materials.

INSTALLATION INSTRUCTIONS

1. Check pipe for thread conformity and any possible shipping damage.
2. Attach first length to the pump discharge.

CAUTION:

When joining PVC schedule 80 threaded pipe, the joint must be tightened by hand, plus one-half turn with wrench. do not overtighten. Should a thread sealant be necessary, Teflon tape or Teflon paste is recommended. DO NOT USE PETROLEUM-BASED THREAD SEALANT.

NOTE:

It is recommended that a minimum of 2 centering devices to be used on each installation. Used to center the pump in the center of the casing. The first centering device immediately above the pump and the second at the first 20' joint.

3. Lower the drop pipe into the well using a pump dog under the coupling. Any known pipe jack may be used to hold the pipe, while joining, without fear of crushing.
4. Tape the pump wire approximately 18" above and below each coupling and midway in each 20' joint, leaving a little slack at each coupling.

PipeLife Jet Stream Plastic Pipe Limited Twenty-Five Year Warranty PVC Schedule 80 Drop Pipe & Factory-Furnished Threaded Couplings

PipeLife Jet Stream Plastic Pipe's PVC Schedule 80 Drop Pipe is warranted to be free from defects in materials and workmanship for a period of twenty-five (25) years from the date of purchase, provided that the PVC Schedule 80 Drop Pipe and factory-furnished threaded couplings are installed in accordance with the manufacturer's instructions in wells of up to 350 feet in depth and provided that a pump no larger than 1 1/2 horsepower is used. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH MAY VARY FROM STATE TO STATE.

This warranty is limited to the first user of the pipe. The warranty is not extended to or enforceable by persons or entities which purchase PVC Schedule 80 Drop Pipe from the original purchaser who first uses the pipe, even if the subsequent occurs during the warranty period.

This warranty becomes effective only if the buyer correctly completes the warranty card at the time of purchase and returns it to PipeLife Jet Stream Plastic Pipe. Notice of any claim or defect must be made promptly in writing to the warrantor. PipeLife Jet Stream Plastic Pipe, P.O. Box 190, Siloam Springs, Arkansas 72761.

If it is determined that a warrantable failure has occurred during the first five (5) years following purchase, PipeLife Jet Stream Plastic Pipe, as an exclusive remedy, will promptly replace all defective pipe with PipeLife Jet Stream Plastic Pipe PVC Schedule 80 Drop Pipe and reimburse purchaser for reasonable direct labor charges incurred in removing and replacing the defective pipe in an amount of up to 50 cents per linear foot of pipe reinstalled. PipeLife Jet Stream Plastic Pipe will replace or pay for defective couplings which were furnished by PipeLife Jet Stream Plastic Pipe, but will not replace or pay for couplings, fittings, or other materials furnished by others and used in connection with PVC Schedule 80 Drop Pipe unless the failure of those items is due to defects in materials and workmanship of the PipeLife Jet Stream Plastic Pipe.

As a condition to exercising its rights under this warranty, the claimant shall be required to cooperate fully with PipeLife Jet Stream Plastic Pipe in investigation of any claim. The claimant shall also be required to take all reasonable actions necessary to preserve the pipe claimed to be defective and to provide PipeLife Jet Stream Plastic Pipe with a sample of such pipe which is not less than three feet in length.

If it is determined that a warrantable failure has occurred in the sixth through twenty-fifth year following purchase, PipeLife Jet Stream Plastic Pipe will pay a pro rate share of the costs described above computed by reducing the total payment to the buyer by 1/20th for each year following the fifth year after purchase. For example, if a warrantable failure occurs in the ninth year after purchase, the total warrantable costs will be reduced by 4/20ths. PIPELIFE JET STREAM PLASTIC PIPE SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, EXCEPT AS STATED IN THIS LIMITED WARRANTY. NO REMEDIES, EXCEPT THOSE STATED HEREIN, SHALL BE AVAILABLE TO THE BUYER. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

The performance by PipeLife Jet Stream Plastic Pipe of its duties under this warranty shall not be required if the defect, malfunction, or failure of the warranted product to conform to the written warranty was caused by damage not resulting from defect or malfunction while in the possession of the consumer, or unreasonable use, including failure to provide reasonable and necessary maintenance.

THIS WARRANTY SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.
