Cleaning Instructions

Please refer to these important instructions for maintaining and protecting your toilet seat. When cleaning your toilet seat, wash it only with mild, soapy water. Rinse the seat thoroughly with clean water and dry with a soft cloth. This will help keep your seat looking new for years to come.

Never use abrasive powders or detergents, disinfectants or cleaning products in aerosol cans as they can damage your seats lustrous finish. In addition, some bathroom chemicals and cosmetic products may damage the seat's finish so use proper caution.

Instrucciones De Limpieza

Instrucciones Importantes para el mantenimiento del acabado y la protección de su asiento de inodoro.

Al limpiar su asiento, lávelo únicamente con agua y jabón suave. Enjuague el asiento completamente con agua limpia y séquelo con un paño suave. Esto le ayudara a mantener su asiento luciendo como nuevo durante mucho tiempo.

Nunca use polvos abrasivos de limpieza desinfectantes o productos de limpieza en latas de aerosol, ya que estos pueden dañar el acabado brillante de su asiento. Además, algunos productos químicos para limpieza de baños y cosméticos pueden dañar el acabado del asiento, así que recomendamos tener precaución.

Consignes de nettoyage

Consultez ces consignes pour entretenir et protéger votre siège de toilette. Nettoyez le siège uniquement avec de l'eau légèrement savonneuse. Rincez-le à fond avec de l'eau claire et essuyez-le avec un chiffon doux. Vous préserverez ainsi l'apparence de votre nouveau siège.

N'utilisez jamais de produits de nettoyage abrasifs ou de détergents, désinfectants ou aérosols car ils risquent d'endommager le fini lustré du siège. De plus, comme certains produits chimiques et cosmétiques peuvent aussi endommager le fini du siège, nous vous conseillons de les utiliser prudemment.
