Materials:

Towel bar posts are constructed of zinc. Bar is constructed of brass.

Dimensions:

Installation Instructions:

1. Position the mounting template on the wall in the desired location.
2. Using a level, align the template and tape it to the wall.
3. Drill two 1/4" holes at each mounting post location that corresponds to your product.
4. Remove the template from the wall.
5. Disassemble screws and washers from anchors.
6. Lightly tap anchors until flush with the wall.
7. Remove mounting posts from the product assemblies by loosening each setscrew.
8. One at a time, place each mounting plate over anchors (with "UP" facing you) and insert screw and washer through plate into anchor.
9. Tighten screws until anchor is activated behind wall (approximately 45 turns) and tight.
10. Position each end post with setscrews facing down and place over both mounting posts. Tighten the setscrew at the bottom of each post.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
