

DP 99

Spray Degalvanizer

- ▶ Removes Galvanizing Build-Up
- ▶ Protects Machine Rollers, Shears Notchers, and Punch Press Dies from Galvanizing Build-Up

DP 99 is a degalvanizing spray for use on roll-forming machines, shears, punch press dies and notchers. DP 99 will soften, loosen, and flake off galvanizing debris, and daily use will keep machines clear of galvanizing build-up.

DP 99 is safe for use on metals, alloys, rubber, and most painted surfaces. It quickly cuts through galvanized scale and rust.
