Paddle[™] Style Dimmers

adorne[®] Paddle[™] Style Dimmers include a slider for dimming or brightening lights paired with a switch that features a wide graceful paddle that works with a simple up and down motion, allowing you to turn lights on and off with ease. Integral silver contacts provide long-lasting performance.

Pair a Locator Status Light with your Paddle Dimmer to add illumination and make it easier to locate in the dark. adorne[®] Paddle[™] Style Switches/Dimmers are available in white or magnesium finishes to complement the broad range of adorne device plate options that are available.

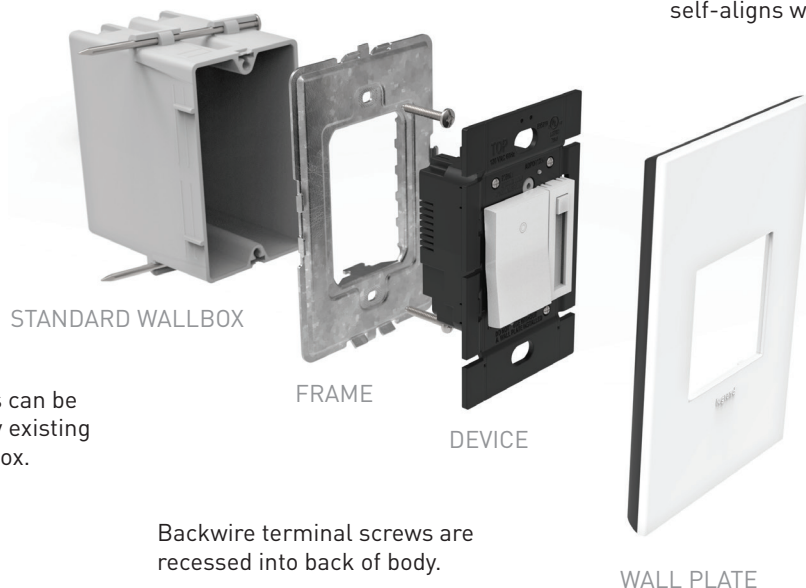

FEATURES & BENEFITS

adorne devices fit in all existing NEMA-approved wallboxes.

Heavy gauge steel frame is grounded via factory installed 12AWG ground lead. Device and metal wall plates are self-grounded to frame.

Device snaps into the frame and self-aligns without any screws.

adorne devices can be installed in any existing standard wallbox.

Backwire terminal screws are recessed into back of body.

Wall plate snaps onto frame; no screws required.

Modular system solves device alignment problems, improving fit and finish in multi-gang installations.

Wall plate and frames available in 1-6 gang sizes.

Accessories, Locator Status Light

AALS6

Locator Status Light

Add a stylish, small locator light to your Paddle switch or dimmer and you'll never again have to slide your hand across the wall trying to find that switch.

Locator light is on when the load is off and off when the load is on.

COMPLEMENTARY PRODUCTS

adore® also offers Paddle Style Dimmers and Fan Control Devices to pair with our Paddle Style Switches for an overall, aesthetically pleasing and multi-functional installation.

adore® Wall Plates provide the perfect complement to adorne Switches, Dimmers, Outlets, and Accessories. The collection includes a variety of finishes, from metals to leather and wood, as well as plastic plates that are available in contemporary and classic colors.

Each wall plate is packaged with a metal frame to enable easy installation when paired with a device. All plates are screwless and simply snap onto the included metal frame.

All adorne wall plates are UL and ETL-approved.
