P PLASTIC

A FRESH IDEA FOR COOKING LIGHT.

Have power galore without a single outlet in plain sight. Plug in lights to make the dark places shine. The adorne collection brings illumination to your kitchen with easily swappable outlets, lighting options, USB ports, music, and, most of all, flexibility.

PUCK LIGHTING

UNDER-CABINET LIGHTING & POWER

Puck Lights: For a spectacular spotlighted look.

Linear Lights: For a consistent, continuous light.

Tablet Cradle
Puts apps and the internet where you need them.

Digital Music Kit
Plug and play your favorites—wirelessly.

Tamper-Resistant Outlet Module
Convenient power snaps in where you need it.

USB Module
A handy outlet to power today's devices.

Mobile Cradle
Because recharging doesn't have to look sloppy.

Modular Tracks: The nerve center that tucks away out of sight. Available in three sizes.

LIVE MORE. WIRED LESS.

Have your house welcome you home with a lights-on preset. See wireless video of who's at your door. Use a smart phone app to save energy and add security features. Life is richer (and sweeter) with adorne Wi-Fi solutions.

WI-FI LIGHTING SYSTEM

REPLACE ANY SWITCH WITH A WI-FI READY SWITCH.

App-based lighting control for the home

HOW IT WORKS

1. Replace any standard light switch with a Wi-Fi ready switch or dimmer.
2. Plug the Hub into your home network.
3. Download the Legrand Lighting Control app.
4. Easily set up your custom lighting settings. Enjoy!

Seeing eye.

It's a doorbell. It's a camera. It's your new video door station. Wireless monitors not only show who's at the door, but also function as true room-to-room audio intercoms.
