

Charging Ahead

A breakthrough design for the ultimate in convenience, safety and efficiency.

The brand that changed food storage and preparation forever does it again. Loaded with innovative features to make any space more functional and appealing, this environmentally friendly unit delivers the ultimate in versatility... you can even charge your personal electronics with it!

Safe Plug® Technology, patented power management system, limits power draw to just 11 amps, requires just one dedicated circuit for the combination appliance.

Dual-Outlet Charge Station and Cord Clip lets you safely charge electronic devices such as laptop computers, MP3 players, cell phones and more.

Smart Store Door allows for upright storage of 2-liter bottles.

Stay-Fresh Drawer keeps fruits and vegetables fresher, longer.

Unsurpassed 10-year Warranty provides absolute peace of mind.

Shown in true stainless steel. Also available in classic black.

Components deliver uncompromising quality and performance. Together, they form one stylish, space-saving unit.

Dual-Outlet Charge Station with Cord Clip

Use it to power up laptops, cell phones, MP3 players, digital cameras and other devices that draw four amps or less. The integrated Cord Clip prevents cables from getting tangled or caught in the doors.

Safe Plug® Technology

Provides protection against circuit overloads for user safety and convenience. Blue plug on refrigerator plugs into back of microwave for energy efficient one-plug to the wall operation.
