### Material Number B06455L, 90° Elbow C x F - Performance Bronze™, 707-3-LF

The 90-degree elbow features a solder cup and female NPT thread. The fitting provides a means of changing the pipeline direction by 90 degrees. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are backed by a 50-year limited warranty. Because of its longstanding
