Material Number B03900L, 705-LF - Baseboard Tee C x F x C - Cast

The baseboard tee features two solder cups and an FNPT outlet. The fitting provides a means of attaching a 1/8-inch vent to the system to bleed out air. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed
