WHEN YOUR FLUSH VALVE AND
URINAL ARE DESIGNED TOGETHER:

POWERFUL THINGS HAPPEN.

American Standard's industry first 1.1 gpf flushometer toilet systems save 31% water over the standard 1.6 gpf toilets. All part of our 77 unique flush valve, toilet and urinal combinations to meet your installation and performance criteria. Water-efficient, labor-saving, reliable operation.

Now that's powerful!

Powerful Things Happen...

When your flush valve and toilet are designed together

Engineered Systems from American Standard combine fixtures and flush valves that were designed together to deliver superior performance while using less water. All are backed by an Extended 5-Year Warranty.

1.1 gpf High Efficiency Toilet Systems (System includes toilet and Selectronic® flush valve)

- Best water efficiency in the industry (for a single flush flushometer-type bowl)
- 31% water savings when compared to standard 1.6 gpf toilets
- 14% water savings when compared to 1.28 gpf toilets
- MaP Score: 800 grams of miso at 1.1 gpf
- Excellent drain line carry even at low flush volume
- Self-cleaning piston valve with integral wiper spring helps prevent clogging and reduces maintenance
- Available with DC (Battery), Hard-Wired AC or Manual flush valves
- All toilets include the EverClean® Antimicrobial Surface

Washbrook® with Selectronic® Battery Powered Flush Valve

0.125 gpf High Efficiency Urinal Systems (System includes urinal and flush valve)

- 87.5% water savings when compared to standard 1.0 gpf urinals
- Superior dilution of urine minimizes smell
- Self-cleaning piston valve with integral wiper spring helps prevent clogging and reduces maintenance
- Flow regulator on the flush valve outlet keeps flush volume constant regardless of inlet pressure
- Available with DC (Battery), Hard-Wired AC or Manual flush valves

Lavatory and Faucet Systems

- American Standard offers a number of faucet and lavatory systems to fit a wide range of commercial applications
- Combination of the most popular faucets (Monterrey®, Metering and Selectronic®) and sinks (Wheelchair Lav, Lucerne™, Murro™ and Lucia®) to meet most commercial specifications
- Enhanced 5-Year Warranty on faucets and fixtures when purchased as a system

Murro™ CHO Lavatory with Selectronic® Cast Faucet

For more information on American Standard Brands, please visit our website at www.americanstandard.com or call 1-800-442-1902.

Water Conservation Without Compromise

American Standard Offers a Full Range of Water Efficient Faucets, Showers, Toilets and Urinals

High Efficiency Toilets (HETs)

Flush on 1.28 gallons per flush or less on every flush. American Standard has the most maximum performance HET toilets of any manufacturer.

Champion® PRO 2-Piece

Cadet® PRO 2-Piece

Yorkville™ 2-Piece Pressure Assist

High Efficiency Urinals (HEUs)

Flush on 0.5 gallons per flush or less on every flush.

Washbrook®

Decorum®

Waterfree

WaterSense® Certified Faucets

All American Standard residential bathroom faucets are WaterSense certified for high performance and water efficiency. Meeting the Environmental Protection Agency's (EPA) strict WaterSense maximum flow rate requirement of 1.5 gallons per minute (gpm), all American Standard residential lavatory faucets incorporate pressure-compensating aerators that provide 32 percent water savings over standard models without sacrificing performance.

Reliant® 3

Seva™

This symbol verifies that the product is a FloWise® Water Efficient Product. Toilets that flush on 1.28 gallons per flush or less, and urinals that flush on 0.5 gallons per flush or less.

This WaterSense label is your confirmation that the product has met the U.S. Environmental Protection Agency criteria for exceptional performance while reducing water use by 20% or more.

WaterSense is a voluntary partnership program launched by the U.S. Environmental Protection Agency (EPA) to designate product and services that conserve water and perform as intended. WaterSense is a registered trade/service mark of the EPA.

Performance and Flexibility

Selectronic® Hands-Free Platform

The American Standard Selectronic Platform uses a universal sensor and power supply to deliver superior performance and system flexibility.

- **Hygienic, hands-free operation**
- **1 Sensor fits all:** A universal sensor is used in all Selectronic faucets and flush valves. Only 1 repair part needed
- **State-of-the-art electronics:** Prevents false activation and ghost flushing. Sensor is only activated when it sees the reflection of its own signal
- **Easy field adjustability:** Range and running time can be adjusted manually or with the optional remote control
- **Fail-safe:** Faucets and flush valves automatically close upon loss of power or dead battery. Prevents potential flooding and costly excess water usage

Remote Control

Each Selectronic faucet has 3 programmable operating modes. The mode can be changed with the optional remote control.

- **Conventional (default):** Water turns on when hands enter the detection zone, and off when hands leave the zone
- **Metering:** Water turns on for a pre-set period of time when hands enter the detection zone. Running time is adjustable with optional remote control. Can be used to easily control gallons per cycle to maximize water savings
- **Touch-free button:** Water turns on when hands enter the detection zone and runs for a pre-set period of time, or until hands are placed close to the sensor a second time. Running time is adjustable with optional remote control

For more information on American Standard Brands, please visit our website at www.americanstandard.com or call 1-800-442-1902.

Selectronic® Faucets

American Standard's patented Selectronic proximity faucets feature state-of-the-art designs that combine water- and energy-saving technology with attractive styling.

- **Hygienic, hands-free operation:** Reduces the spread of germs by eliminating the need to touch faucet handles
- **Adjustable safety timer:** Faucet shuts-off if sensor is blocked for a pre-set period of time to prevent vandalism. Running time until shut-off is adjustable with optional remote control
- **Automatic purge option:** Faucet can be programmed to turn on after a pre-set period of non-use to purge stagnant water from faucet and piping. Frequency and duration are adjustable with optional remote control
- **Lead-Free:** contains less than or equal to 0.25% total lead content by weighted average

Cast Spout 605X.10X

Moments® 2506.1X

Selectronic® Integrated Faucets with Above Deck Mixing

7055.205

Seamless, fully cast brass spout.

Easy-to-clean. Durable. Tough enough to withstand the rigors of commercial installations.

Easy to install integrated design. Installs from the top. All electronics, sensor and solenoid in the spout. No control box below deck.

Selectronic Universal Sensor

Optional above deck mixing.

Dual hot and cold water inlets. Leak-free ceramic disc valve used for mixing. Removable temperature control handle. Field-adjustable hot limit stop.

Designed to Outperform

Selectronic® Flush Valves

When it comes to commercial flush valves, American Standard offers unequaled water efficient options with best-in-class performance. Available in concealed or exposed installation, our complete line of high-performance flush valves is designed to meet any commercial application...saving water, time and money.

- Self-cleaning piston valve with integral wiper spring
- Fully mechanical manual override: Can flush the valve without power
- Adjustable sanitary flush: Cleans the fixture and maintains the trap seal. Frequency and duration are adjustable with optional remote control
- Stadium flush (urinals only): Valve automatically switches to water savings mode during periods of heavy use

Diaphragm Flush Valves vs. Piston Flush Valves

Diaphragm Flush Valves

PROBLEM:

Diaphragm valves prone to clogging

- Small unprotected refill orifice (0.020" to 0.030" diameter) with minimal protection
- When refill orifice clogs—valve doesn't build up closing pressure—water continuously runs

Diaphragm Valve

Piston Flush Valves

SOLUTION:

Piston with integral wiper spring

- Wiper spring cleans refill orifice with every flush
- No filter screen required

Piston Flush Valve with Integral Wiper Spring

Other Features of Piston Flush Valves

- No routine maintenance required—no diaphragm to replace; no filter screen to clean
- Positive seal ensures leak-free performance
- Piston precisely meters water to deliver promised flush volume—especially crucial at low flush volumes
- Piston flush valve automatically closes and does not need to be re-set upon loss of water pressure

Monterrey® Faucets

All American Standard commercial faucets feature cast brass construction and ceramic disc cartridges for superior durability and performance. Pressure compensating aerators deliver exceptional performance while ensuring optimal water savings.

- Solid brass construction for enhanced durability in high-use applications
- Ceramic disc valves ensure leak-free performance
- Pressure compensating aerators provide a constant water flow throughout the pressure range
- Water-conserving flow outlets:
 - Non-aerated sprays: 0.35 – 0.5 gpm
 - Aerators: 1.0, 1.5 and 2.2 gpm
 - Non-aerated laminar flow: 1.0, 1.5 and 2.2 gpm
- Available with ADA-Compliant vandal-resistant lever or wrist blade handles

Monterrey Gooseneck Centerset
7500.170

SELECTRONIC® INTEGRATED FAUCETS WITH ABOVE-DECK MIXING

- Electronic, sensor-operated faucets
- Vandal-resistant solid brass construction with the sensor, solenoid valve, and all electronics enclosed in the spout
- Includes above-deck mixing valve, with removable handle
- Uses ceramic disc valve with hot limit safety stop for temperature control
- Dual supplies for hot and cold water
- Inlets to spout: 18" long S.S. flex hoses with 3/8" compression connection
- Range can be adjusted manually or with optional remote control
- Optional escutcheon (for 4" centers) and remote control must be ordered separately

SELECTRONIC® PROXIMITY FAUCETS

- Electronic, sensor-operated faucets
- Range can be adjusted manually or with optional remote control
- Vandal-resistant solid brass construction with fully enclosed, water resistant electrical controls
- Water pressure range from 20 to 125 psi
- Integral in-line strainer protects solenoid
- Single inlet to spout: 15" long S.S. hose with 3/8" compression connection
- Optional escutcheon (for 4" and 8" centers), mixing valve and remote control are available and must be ordered separately

SELECTRONIC® PROXIMITY METERING FAUCETS

- Electronic, sensor-operated metering faucets
- Vandal-resistant solid brass construction with fully enclosed, water resistant electrical controls
- Operates on DC (CR-P2 lithium battery) or AC permanent power
- AC adapter is CEC rated
- Integral in-line strainer protects the solenoid valve
- Single inlet to spout: 15" long S.S. hose with 3/8" compression connection
- Range can be adjusted manually or with optional remote control
- Optional escutcheon (for 4" and 8" centers), mixing valve and remote control must be ordered separately
- Water-conserving 0.35 gpm/1.3 L/min.
- Vandal-resistant pressure compensating non-aerated spray
- Faucet programmed at factory for 7.5 second running time to deliver 0.04 gpc (gallons per cycle)

MEETS THE AMERICANS WITH DISABILITIES ACT GUIDELINES AND ANSI A117.1. REQUIREMENTS FOR ACCESSIBLE AND USABLE BUILDING FACILITIES-CHECK LOCAL CODES

For available modifications see page 96.

Faucet contains ≤0.25% total lead content by weighted average.

All faucets on this page meet the CALGreen Code.

CERATRONIC™ PROXIMITY WITH TOUCH-FREE TEMPERATURE CONTROL

- Electronic, sensor-operated faucets with Ceratronic operation for touch-free temperature control
- Range can be adjusted manually or with optional remote control
- Vandal-resistant solid brass construction with fully enclosed, water resistant electrical controls
- Water pressure range from 20 to 125 psi
- Operates on AC permanent power
- AC adapter is CEC rated
- Integral in-line strainer protects solenoid
- Dual inlets to spout: 15" long S.S. hoses with 3/8" compression connections
- Optional escutcheon (for 4" and 8" centers) and remote control are available and must be ordered separately

H – Standard connection

V – Vandal-Resistant connection

All handle sets include red and blue indexes.

MONTERREY® SINGLE CONTROL CAST CENTERSET FAUCET

- Cast brass centerset body
- Metal handle
- 1/2" male threaded brass inlet shanks with quick spin nuts
- Washerless ceramic disc valve cartridge
- Adjustable hot limit safety stop: Limits the amount of hot water allowed to mix with cold. Reduces the risk of accidental scalding
- Pressure compensating outlet: Provides a constant water flow throughout the pressure range
- Maximum recommended deck thickness of 1-1/2"

HARD-WIRED AC POWERED SELECTRONIC® EXPOSED TOILET FLUSH VALVES

- Exclusive, self cleaning piston-operated flush valve with proximity operation
- Mechanical override
- Operates on Hard-Wired AC power supply
- Input voltage: 80 - 250 VAC, 50 - 60 Hz
- For 1-1/2" top spud toilets
- Recommended operating pressure range from 25 psi (flowing) to 80 psi (static)
- Range can be adjusted manually or with optional remote control
- All flush valves include sweat solder kit

For aerator modifications less than 24 pcs:

- Order the faucets and aerators separately (to avoid the setup fee)
- Select the appropriate aerator for your faucet using this aerator cross reference chart
- See pages 91 - 94 for aerator list prices

Faucet Parts/Modifications

How to Order

Ordering

- Add the code part suffix to the end of the first four digits of the product number

Example

- To order a Seva™ centerset lavatory faucet (1480.110.002) modified with a 1.5gpm vandal-resistant pressure compensating aerator (suffix **V15**), your order should specify: 1480**V15**.110.002

Pricing

- The List Price Adjust should be added to the LIST PRICE of the faucet being modified

Conditions

- **Order minimum: 24 pieces.** Exceptions will be considered on large job quotes
- Orders for less than 24 pieces should be modified in the field using repair parts
- A + \$150.00 one-time setup charge will be applied to all modifications less than 24 pieces

Efficient and Hygienic

Infection Control

According to a report from Northwestern Memorial Hospital, infections in hospitals may cause as many as 90,000 deaths annually. To prevent it, hospitals must develop an infection control plan by having a rigorous cleaning/disinfecting procedure, and utilizing products that can help to prevent the spread of germs.

American Standard designed the Infection Control Sink System understanding the importance of infection control through proper hand-washing. With its unique basin design, the Infection Control Sink System reduces droplets and splashes. There is also no level surface for users to place objects.

Infection Control Sink System Top View

Selectronic® hands-free Infection Control faucet with laminar flow and plain spout end

Offset, non-pooling drain without overflow

Deep and sloped basin reduces splashing

EverClean® Antimicrobial Surface

Infection Control Sink System 9118.100 System with Plug-In AC Power Faucet

EverClean®

Monthly cost to vacuum, clean, and remove trash from a four-story facility, including the restrooms, with a crew of four people can be as high as \$3,600. The cost can be higher depending on rentable square feet, cleaning frequency, building type, density and access. Burdened with this high cost, many facilities are looking for more cost-effective options.

American Standard's exclusive EverClean® antimicrobial technology provides such an option. Many of our commercial chinaware products have our EverClean® surface. This permanent surface helps to inhibit the growth of stain and odor causing bacteria, mold and mildew, which simply means that it helps to keep the chinaware products cleaner longer.

For more information on American Standard Brands, please visit our website at www.americanstandard.com or call 1-800-442-1902.

Exceptional Performance

Performance

American Standard has the best selection of high efficiency commercial fixtures with exceptional performance. Our Madera™ toilet, an industry standard, paired with our Selectronic® flush valve, uses as little as 1.1 gpf and easily handles 800 grams of bulk waste.

Features and Benefits

- 20-80% water savings while providing exceptional bowl performance
- Matching flush valve available for superior performance
- High efficiency and universal—performs at 1.1 to 1.6 gpf
- Permanent EverClean® Antimicrobial Surface
- Exceptional performance—800 grams MaP at 1.1 gpf and 1,000 grams MaP at 1.28 gpf

MaP Testing

Based on independent test of Maximum Performance (MaP). See <http://MaP-testing.com>.

Product	1.1 GPF	MaP Score* 1.28 GPF	1.6 GPF
Baby Devoro™ Two-Piece	—	500 g	—
Baby Devoro™ Flushometer	—	800 g	800 g
Madera™ FloWise®	800 g	1,000 g	1,000 g
Madera Youth™	—	800 g	—
Afwall® FloWise®	800 g	1,000 g	1,000 g
Priolo® FloWise®	800 g	1,000 g	1,000 g
Huron® with EverClean®	—	500 g	500 g
Right Width® FloWise®	—	1,000 g	1,000 g

*MaP Score Performance is attained by using both American Standard chinaware and flush valves.

This easy-to-install integrated design installs from the top. All electronics, sensor and solenoid are in the spout with no control box below deck. This easy-to-clean, durable design is tough enough to withstand the rigors of commercial installations.

tile  [®]
redi

by American Standard

One piece shower modules ready to be tiled!

FEATURES:

- Install tile directly over shower base
- Integral drain
- Pre-pitched 1/4" per foot toward drain
- Many sizes
- Single curb
- ADA & barrier free

Includes:

- Integrated 2" PVC drain
- Adjustable stainless steel drain plate
- Tile setting materials

BENEFITS:

Leak Proof

- 1 piece 100% leak proof shower pan
- No seams and no liner
- Use with any tile or stone

Labor Savings

- No mud setting or hot mopping
- No curb construction, liners or manually pitched floors
- Bases are installed and tiled the same day – no construction delays

Tile directly **over** the Tile Redi® base with any tile or stone. The quick and easy way to create a tiled shower floor.

SINGLE CURB • BARRIER FREE • TRENCH DRAIN

Ciencia® Features and Benefits

Solid Surface Shower Base

Ideal for use with CIENCIA® Wall Sets

Durable

- Color penetrates the base from front to back
- Scratches can be sanded out

Easy Installation

- Installs directly over subfloor
- Integral drain slides over existing waste pipe
- Floor is pre-pitched toward the drain

Low maintenance

- Nonporous for easy cleaning and years of enjoyment

Attractive Designs

- Available as zero threshold curb or low threshold version
- Attractive trench drain with removable stainless steel drain cover
- 4 colors to choose from
- Integral drain assembly

Warranty

- Limited lifetime residential
- Limited lifetime commercial

Solid Surface Wall Sets

Durable

- Color penetrates the 1/4" thick sheet front to back
- Scratches can be sanded out

Easy Installation

- Glue up over wallboard, concrete or existing tile
- Trim to size
- Easy to drill through for valve placement

Low maintenance

- Nonporous for easy cleaning and years of enjoyment

Attractive Designs

- 5 tile styles
- 5 colors
- Many sizes to fit tubs and showers
- 6 piece set or 8 piece set

Warranty

- Limited lifetime residential
- Limited lifetime commercial

Ciencia® Features and Benefits

Acrylic Capped Solid Surface Base

- High gloss acrylic surface
- Durable and easy to clean
- Slip resistant surface
- Bright white color
- Easy installation
- Available in multiple sizes
- R, L, C drain locations
- Low threshold – 2-3/4"
- Lifetime warranty
- Tiling flange

What is Acrylic Capped Solid Surface?

The result is a high quality, extremely durable shower base.

Champion® PRO™ Toilets

POWER

Based on recommendations from professional plumbers, American Standard has created the **Champion® PRO™** toilet that offers distinctive features available exclusively through showrooms. These high efficiency toilets (HETs) are the most powerful flushing systems on the market. **Modeled after the Champion®4, a top rated performer by a leading consumer magazine, the Champion PRO uses 20% less water while virtually eliminating clogs, noisy flushes and the dreaded overflow.** These 1.28 gpf toilets save you money on your water bill without sacrificing performance.

Champion® PRO™ Right Height® Elongated HET

Warranty	10 Years (covers chinaware and trim)	1 Year

Metal trip levers instead of plastic for long-lasting durability. Alternate finishes available to complement your faucets.

High efficiency, ultra-low consumption 1.28 gpf (4.8 Lpf) models utilize 20% less water and meet EPA WaterSense® criteria.

*MaP testing performed by IAPMO R&T Lab. MaP report conducted by Veritec Consulting Inc. and Koeller and Company.

†Gravity flow through rim punchings.

Cadet® PRO™ Toilets

DEPENDABLE

Modeled after the Champion®, but with a slightly smaller flush valve and 5-Year Warranty, the **Cadet® PRO™** series of high efficiency toilets (HETs) was designed to drive water more rapidly through the bowl for greater flushing power, minimizing clogs, noisy flushes and overflows.

PowerWash® rim scrubs bowl with each flush eliminating the need for a scrub brush.

Permanent EverClean® Antimicrobial Surface inhibits the growth of stain and odor causing bacteria, mold and mildew on the surface. **Helps keep fixtures cleaner longer.**

ORB (Oil Rubbed Bronze)

▷ REPAIR PART

AS AMERICA, INC. ONE YEAR LIMITED WARRANTY FOR COMMERCIAL FIXTURES

If inspection of this AS America, Inc. (“American Standard®”) plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for a similar model.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American Standard®’s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation. **IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE, ETC.** American Standard® will not be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or from province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. FIVE YEAR LIMITED WARRANTY FOR COMMERCIAL SYSTEMS

If inspection of this AS America, Inc. (“American Standard®”) plumbing product, within five year after its initial purchase, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for a similar model.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American Standard®’s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation. **IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE, ETC.** American Standard® will not be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or from province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED WARRANTY FOR CHAMPION® PRO AND CHAMPION®4 TOILETS

This toilet comes with a limited lifetime warranty on chinaware, a limited 10 year warranty on all mechanical parts of the toilet, and a limited 1 year warranty on the toilet seat if included with product. If inspection of this AS America, Inc. ("American Standard®") plumbing product, inclusive of the chinaware and all mechanical parts, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for the same or a similar model.

This limited warranty applies only to the original non-commercial purchaser and installation of the products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt.**

For this warranty to become effective, the warranty registration process must be completed via the internet or telephone per the warranty registration instructions.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is 10 years on chinaware and mechanical parts, and 1 year on the toilet seat if included with product.

This warranty **does not apply** to local building code compliance. Since local building codes vary considerably, the purchaser of the product should check with a local building or plumbing contractor to ensure local code compliance before installation.

This warranty **will be void** if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damage; if it was not installed in accordance with American Standard®'s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

WARNING: This warranty **DOES NOT COVER** any damages caused by the use of in-tank cleaners. These products can seriously corrode the fittings in the tank. This damage can cause leakage and property damage. **American Standard® will not be responsible or liable for any damage caused by the use of in-tank cleaners.**

American Standard®'s option to repair or exchange the product under this warranty does not cover any labor or other costs of removal or installation including any costs of any surrounding material such as tile or marble. **American Standard® is not responsible for any other incidental or consequential damages attributed to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this warranty.** (Some states or provinces do not allow the exclusion or limitation of implied warranties, so this exclusion may not apply to you.)

This warranty gives you specific rights. You may have other statutory rights that may vary from state to state or province to province, in which case this warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED WARRANTY FOR CADET® PRO AND CADET®3 MADE IN THE USA TOILETS

This toilet comes with a limited lifetime warranty on chinaware, a limited 5 year warranty on all mechanical parts of the toilet, and a limited 1 year warranty on the toilet seat if included with product. If inspection of this AS America, Inc. ("American Standard®") plumbing product, inclusive of the chinaware and all mechanical parts, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for the same or a similar model.

This limited warranty applies only to the original purchaser and installation of the products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipts.**

For this warranty to become effective, the warranty registration process must be completed via the internet or telephone per the warranty registration instructions.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is 5 years on chinaware, 5 years on mechanical parts, and 1 year on the toilet seat if included with product.

This warranty **does not apply** to local building code compliance. Since local building codes vary considerably, the purchaser of the product should check with a local building or plumbing contractor to ensure local code compliance before installation.

This warranty **will be void** if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damage; if it was not installed in accordance with American Standard®'s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

WARNING: This warranty **DOES NOT COVER** any damages caused by the use of in-tank cleaners. These products can seriously corrode the fittings in the tank. This damage can cause leakage and property damage. **American Standard® will not be responsible or liable for any damage caused by the use of in-tank cleaners.**

American Standard®'s option to repair or exchange the product under this warranty does not cover any labor or other costs of removal or installation including any costs of any surrounding material such as tile or marble. **American Standard® is not responsible for any other incidental or consequential damages attributed to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this warranty.** (Some states or provinces do not allow the exclusion or limitation of implied warranties, so this exclusion may not apply to you.)

This warranty gives you specific rights. You may have other statutory rights that may vary from state to state or province to province, in which case this warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED LIFETIME WARRANTY FOR LUXURY SERIES ACRYLIC, CAST IRON, AMERICAST® TUBS

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser that it will, at its option, repair or replace this tub or any of its parts that are found by American Standard®, in its sole judgment, to be defective under normal residential use and maintenance so long as it is owned by the original consumer purchaser.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is three (3) years.

THIS WARRANTY SHALL BE VOID IF THE ACCESS PANEL TO THE WHIRLPOOL IS COVERED IN ANY MANNER CONTRARY TO THE INSTALLATION INSTRUCTIONS. In no event will American Standard® be liable for the cost of repair or replacement of any installation materials including but not limited to tiles, marble etc.

This limited warranty DOES NOT COVER the following:

1. Defects or damages arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and cleaning as directed in the owner’s manual and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear and the expense of normal maintenance.
3. Commercial application.
4. Options and accessories. American Standard®’s limited warranty on these items is one year for parts only and excludes labor. This one year limited warranty covers accessories manufactured by American Standard® (e.g. aprons, drains, grab bars, heaters, trim kits) against defects of material or workmanship. Warranty coverage begins on the date the accessory was originally purchased by the owner.
5. Postage or shipping costs for returning products for repairs or replacement under this limited warranty and labor or other costs incurred in connection with product removal or installation under this limited warranty.
6. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, OR THE EXTENSION BEYOND THE DURATION OF THIS LIMITED WARRANTY OF ANY IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR AN INTENDED PURPOSE. (Some jurisdictions do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
7. Responsibility for compliance with local code requirements. (Since local code requirements vary greatly distributors, retailers, dealers, installation contractors and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED WARRANTY FOR MASTER SERIES TUBS, ACRYLIC BASES, ACRYLUX® PRODUCT

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser that it will, at its option, repair or replace any of its plumbing products found by it to be defective under normal use and maintenance within the following periods from date of purchase: Electronic Components – two (2) years; Pump Motors – three (3) years; Fittings and Plumbing – two (2) years; Shell – ten (10) years residential; three (3) years commercial. In the event of a limited warranty claim proof of purchase will be required — **save sales receipt.**

This limited warranty DOES NOT COVER the following:

1. Defects or damage arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear.
3. Expense of normal maintenance – periodic replacement of washers, seals, etc. is a normal maintenance requirement.
4. IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE ETC.
5. Postage or shipping costs for returning products for repairs or replacement under this limited warranty and labor or other costs incurred in connection with product removal or installation under this limited warranty.
6. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, OR THE EXTENSION BEYOND THE DURATION OF THIS LIMITED WARRANTY OF ANY IMPLIED LIMITED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR AN INTENDED PURPOSE. (Some jurisdictions do not allow limitations on how long an implied limited warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
7. Responsibility for compliance with local code requirement. (Since code requirements vary greatly, distributors, dealers, installation contractor and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)
8. If a whirlpool unit is purchased by a dealer and used as a demonstration unit the limited warranty takes effect as soon as the dealer uses the product as a demo. If this demonstration unit is subsequently sold to a customer, the dealer may transfer the remaining period of the limited warranty to the buyer only with American Standard® written approval.

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED WARRANTY FOR TILE REDI® PRODUCTS

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser that it will, at its option, repair or replace any of its plumbing products found by it to be defective under normal use and maintenance within three years from date of purchase. In the event of a limited warranty claim proof of purchase will be required — **save sales receipt**.

This limited warranty DOES NOT COVER the following:

1. Defects or damage arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear.
3. Expense of normal maintenance – periodic replacement of washers, seals, etc. is a normal maintenance requirement.
4. IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE ETC.
5. Postage or shipping costs for returning products for repairs or replacement under this limited warranty and labor or other costs incurred in connection with product removal or installation under this limited warranty.
6. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, OR THE EXTENSION BEYOND THE DURATION OF THIS LIMITED WARRANTY OF ANY IMPLIED LIMITED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR AN INTENDED PURPOSE. (Some jurisdictions do not allow limitations on how long an implied limited warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
7. Responsibility for compliance with local code requirement. (Since code requirements vary greatly, distributors, dealers, installation contractor and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)
8. If a whirlpool unit is purchased by a dealer and used as a demonstration unit the limited warranty takes effect as soon as the dealer uses the product as a demo. If this demonstration unit is subsequently sold to a customer, the dealer may transfer the remaining period of the limited warranty to the buyer only with American Standard® written approval.

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

WALK-IN BATH LIMITED WARRANTY COVERAGE

American Standard® Walk-In Baths are warranted in accordance with the following warranty:

This warranty is extended to the first purchaser and does not extend to products previously used as display models or products that have been modified or repaired by anyone else but American Standard® unless approved by American Standard®. American Standard® premium acrylic walk-in baths come with a fifteen (15) year warranty on the bathtub, ten (10) year warranty on the tub components and a Lifetime Warranty on the door seal. American Standard® walk-in baths constructed of hi-gloss gelcoat construction come with a ten (10) year warranty on the bathtub, five (5) year warranty on the tub components and a Lifetime Warranty on the door seal.

WARRANTY LIMITATIONS

In the event of a defect in the material or workmanship of a product, defective products will be repaired or replaced. The manufacturer shall not be liable for the expense of removing defective products or installing replacement products or the expense of adjoining components such as tile, marble, wall panels, ceilings etc. No liability shall exist for incidental or consequential damages caused in whole or part by any defect in this product. No warranty, expressed or implied, including any warranty of merchantability or fitness for a particular purpose, shall apply after the warranty period described above. This warranty does not cover defects or damage caused by the common carrier or installer from, without limitation, any of the following: careless handling, lifting bathtubs by the piping, modification of the product for any reason, improper installation (including installation not in accordance with instructions provided with the unit), and acts of God.

RETURN POLICY

American Standard® is committed to providing premium customer service. In the event that a product must be returned due to reasons other than defects, as mentioned in the warranty, the following procedures apply: Requests for returns and/or exchanges must be made within 30 days of receipt of product. The product must be in its original packaging and received at American Standard® in saleable condition. All returns will receive a 15% restocking fee plus all freight costs of the original shipment and return shipment to American Standard®. All requests for return must first be approved by American Standard® and have an assigned Returned Merchandise Authorization (RMA#).

AS AMERICA, INC. LIMITED LIFETIME WARRANTY FOR CIENCIA® WALLS & SHOWER BASES

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser that it will, at its option, repair or replace this wall/base or any of its parts that are found by American Standard®, in its sole judgment, to be defective under normal residential or commercial use and maintenance so long as it is owned by the original consumer purchaser.

In no event will American Standard® be liable for the cost of repair or replacement of any installation materials including but not limited to tiles, marble etc.

This limited warranty DOES NOT COVER the following:

1. Defects or damages arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and cleaning as directed in the owner’s manual and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear and the expense of normal maintenance.
3. Options and accessories. American Standard®’s limited warranty on these items is one year for parts only and excludes labor. This one year limited warranty covers accessories manufactured by American Standard® (e.g. aprons, grab bars, heaters, trim kits) against defects of material or workmanship. Warranty coverage begins on the date the accessory was originally purchased by the owner.
4. Postage or shipping costs for returning products for repairs or replacement under this limited warranty and labor or other costs incurred in connection with product removal or installation under this limited warranty.
5. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, OR THE EXTENSION BEYOND THE DURATION OF THIS LIMITED WARRANTY OF ANY IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR AN INTENDED PURPOSE. (Some jurisdictions do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
6. Responsibility for compliance with local code requirements. (Since local code requirements vary greatly distributors, retailers, dealers, installation contractors and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED LIFETIME WARRANTY FOR SHOWER DOORS

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser that it will, at its sole option, repair or replace this product or any part of this product, if it confirms that the product is defective in materials or workmanship under normal use and maintenance for the lifetime of this product.

This warranty does not apply to commercial installations. Commercial installations shall have a limited warranty of 3 year(s).

This limited warranty DOES NOT COVER the following:

1. Defects or damage arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear.
3. WATER DAMAGE, OR DAMAGES RESULTING FROM ABUSE OR MISUSE OR FROM FAILURE TO INSTALL OR MAINTAIN THIS PLUMBING PRODUCT IN ACCORDANCE WITH THE WRITTEN INSTRUCTIONS FURNISHED BY AS AMERICA, INC.
4. USE OF CLEANING PRODUCTS CONTAINING CALCIUM HYPO CHLORITE (CHLORINE), SCOURING POWDERS OR PADS SHALL NOT BE COVERED.
5. THE USE OF SCENTED CANDLES IN CLOSE PROXIMITY WITH THIS PRODUCT CAN RESULT IN PERMANENT STAINING OF THE FINISH.
6. Expense of normal maintenance.
7. All costs of removal, transportation, labor, reinstallation or other costs including postage and/or shipping costs to obtain warranty service shall be paid by the consumer.
8. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR PURPOSE INTENDED ARE SPECIFICALLY EXCLUDED. (Some jurisdictions do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
9. Responsibility for compliance with local code requirements ARE EXCLUDED FROM THIS WARRANTY. (Since local code requirements vary greatly distributors, dealers, installation contractors and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

**AS AMERICA, INC. BATH FURNITURE
LIMITED WARRANTY**

If inspection of this AS America, Inc. (“American Standard®”) plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for a similar model. Variations in actual wood color and finishes which may result from natural characteristics of the wood, such as grain patterns, mineral streaks and the like, are not defects and are not covered by this limited warranty.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American Standard®’s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation, nor shall American Standard® be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you).

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

**AS AMERICA, INC. LIMITED FIVE YEAR WARRANTY
FOR CULTURED MARBLE PRODUCTS**

If an AS America, Inc. (“American Standard®”) Cultured Marble product, within five years of its original purchase, is found to be defective in materials or workmanship, after inspection by an authorized American Standard® representative, American Standard® will repair or, at its option, exchange the product for a similar model. This limited warranty is applicable, so long as it remains in use in its original place of installation.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is one (1) year.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to assure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damage; if it was not installed in accordance with American Standard®’s instructions; or if it was modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation. **IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE ETC.** American Standard® will not be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or from province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. MARBLE/GRANITE VANITY/TABLE TOP LIMITED WARRANTY

If inspection of this AS America, Inc. (“American Standard®”) plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, American Standard® will repair or, at its option, exchange the product for a similar model. Variations in shading, veining, and texture which may result from natural characteristics of stone and as such are not defects and are not covered by this limited warranty.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a claim, proof of purchase will be required – **save sales receipt**.

This limited limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American Standard®’s instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation, nor shall American Standard® be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you).

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED TEN YEAR WARRANTY FOR SILKSTONE™ PRODUCTS

If an AS America, Inc. (“American Standard®”) Silkstone™ product, within ten years of its original purchase, is found to be defective in materials or workmanship, after inspection by an authorized American Standard® representative, American Standard® will repair or, at its option, exchange the product for a similar model. This limited warranty is applicable, so long as it remains in use in its original place of installation.

This limited warranty applies only to the original purchaser and installation of these products. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is one (1) year.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to assure local code compliance before installation.

This limited warranty is void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damage; if it was not installed in accordance with American Standard®’s instructions; or if it was modified in a manner inconsistent with the product as shipped by American Standard®.

American Standard®’s option to repair or exchange the product under this limited warranty does not cover any labor or other costs of removal or installation. **IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS, INCLUDING BUT NOT LIMITED TO, TILES, MARBLE ETC.** American Standard® will not be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this limited warranty. This limited warranty does not cover any liability for consequential or incidental damages, all of which are hereby expressly disclaimed, or the extension beyond the duration of this limited warranty of any implied limited warranties, including those of merchantability or fitness for an intended purpose. (Some states or provinces do not allow the exclusion or limitation of implied limited warranties, so this exclusion may not apply to you.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. LIMITED LIFETIME WARRANTY FOR STAINLESS STEEL SINKS

AS America, Inc. (“American Standard®”) warrants to the original consumer purchaser of an American Standard® stainless steel sink that it will, at its option, repair or replace such product if it is found by American Standard®, in its sole judgment, to be defective under normal residential use, provided that it has been installed and maintained in accordance with American Standard®’s instructions. This limited warranty applies only to the initial installation and is not transferable from the original consumer purchaser. In the event of a limited warranty claim, proof of purchase will be required – **save sales receipt**.

This limited warranty does not apply to commercial installations. The warranty for commercial installations is three (3) years.

This limited lifetime warranty DOES NOT COVER the following:

1. Defects or damages arising from shipping, installation, alterations, accidents, abuse, misuse, environmental factors, lack of proper maintenance and use of other than genuine American Standard® replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
2. Deterioration through normal wear and tear and the expense of normal maintenance.
3. Commercial application.
4. Options and accessories. American Standard®’s limited warranty on these items is one year for parts only. This one year limited warranty covers accessories manufactured by American Standard® against defects of material or workmanship. Limited warranty coverage begins on the date the accessory was originally purchased by the owner.
5. Postage or shipping costs for returning products for repairs or replacement under this limited warranty and labor or other costs incurred in connection with product removal or installation under this limited warranty.
6. ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, INCLUDING LABOR, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED, OR THE EXTENSION BEYOND THE DURATION OF THIS LIMITED WARRANTY OF ANY IMPLIED LIMITED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR AN INTENDED PURPOSE. IN NO EVENT WILL AMERICAN STANDARD® BE LIABLE FOR THE COST OF REPAIR OR REPLACEMENT OF ANY INSTALLATION MATERIALS INCLUDING BUT NOT LIMITED TO TILES, MARBLE ETC. (Some jurisdictions do not allow limitations on how long an implied limited warranty lasts, or the exclusion or limitation of incidental or consequential damages, so these limitations and exclusions may not apply to you.)
7. Responsibility for compliance with local code requirements. (Since local code requirements vary greatly distributors, retailers, dealers, installation contractors and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)

This limited warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or from province to province, in which case this limited warranty does not affect such statutory rights.

AS AMERICA, INC. FAUCET LIMITED LIFETIME FUNCTION AND FINISH WARRANTY

FOR RESIDENTIAL INSTALLATIONS: AS America, Inc. (“American Standard®”) warrants this product to be free from defects in materials or workmanship for as long as the original consumer purchaser owns this product. Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to American Standard® for all warranty claims. This warranty is non transferable. It does not apply in the event of product damage due to the use of other than genuine American Standard® replacement parts, installation error, abuse, misuse or improper care and maintenance (whether performed by a plumber, contractor, service provider or member of the purchaser’s household). The warranty excludes damage due to aggressive air or water conditions, or harsh or abrasive cleaners and/or materials.

FOR COMMERCIAL INSTALLATIONS: For all industrial, commercial and business usage the warranty period is five years, from date of purchase and except for duration, all other aforementioned warranty terms apply. For both Residential and Commercial warranties, batteries are not included in the warranty.

American Standard® will provide free of charge, at its sole option, replacement part(s) or product (or if no longer available, a comparable product) to replace those which have proven defective in materials or workmanship.

This warranty does not cover labor charges incurred and/or damage sustained in installation, repair or replacement, nor incidental or consequential damages. This warranty is applicable only to American Standard® faucets manufactured after June 1, 1996 and installed in the United States, Mexico and/or Canada.

THIS WARRANTY IS EXCLUSIVELY IN LIEU OF ALL OTHER WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This warranty gives the original consumer purchaser of an American Standard® faucet specific legal rights which may vary from state to state or from province to province. In some states or provinces the exclusion or limitation of incidental or consequential damages is not allowed, so those exclusions may not apply to you.

For service under these warranties, it is suggested that a claim be made through the contractor or dealer from or through whom the product was purchased, or that a service request (including a description of the product model and of the defect) be sent to the following address:

American Standard

Availability of Revit and BIM

Through our partner ATS, American Standard Brands provides a complete plumbing specification solution for your Revit and 3D projects. With over 8,500 product combinations accessible for immediate download and new files being added daily, ATS is the largest source for Revit plumbing equipment. ATS and American Standard's combined 3D BIM families can be easily accessed and downloaded at no-cost to the specification design community.

For more information, please visit our partner website, www.atsspec.net.
