Adjustable

SPACECAB's patented modular shelving system stores much more than ordinary medicine cabinets. SPACECAB's simple to adjust slide-in/slide-out shelves efficiently facilitate adjacent size variations for incredible space utilization.

Innovative

Called the "better mousetrap," SPACECAB's award winning design includes whisper quiet door hinges, secure latch, impact resistant mirror protection and rigid mirror frames. SPACECAB is manufactured from high quality molded components that defy the humid environment of the bathroom and will never rust. Hazardous sharp metal edges are eliminated. Mirror doors are easily replaceable in the field.

Intelligent

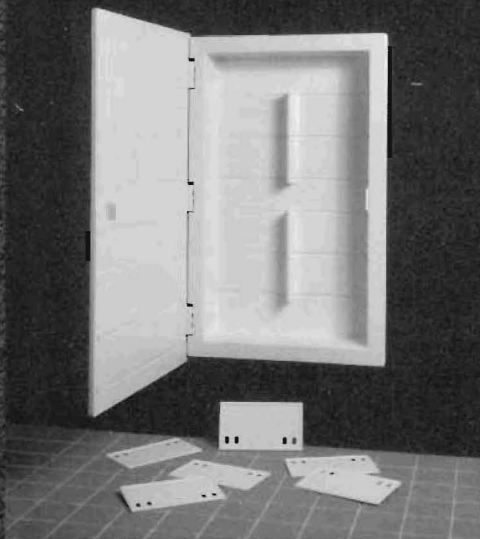

SPACECAB is made in the USA by the most experienced, dedicated and respected team in the industry with superior performance in product quality and customer service. SPACECAB's manufacturing process is friendly to the environment. The materials that become SPACECAB components are identified for accurate recycling.
