

Decal

Fact Sheet

Part# GD, SD

Rhino all-weather vinyl decals are fade resistant and designed specifically for outdoor environments. Each decal is manufactured for your specific application to ensure a long, useful life.

Rhino offers many stock shapes to reduce cost to our customers. Custom decals are available in any size and can be custom cut to your requirements. Decals are a low-cost temporary solution for name or logo changes on many post/sign materials including aluminum and poly.

Description:

- High-tack adhesive on vinyl or reflective material
- UV Stable
- Unlimited color print available at no additional charge.
- Vinyl decals temp range -50° to +225°F
- Reflective decals temp range -30° to +200°F
- Standard hazardous materials decals use 1" high by 1/4" stroke to meet DOT spec 195.410.
- 10-Year Warranty*
