Policies & Procedures

SHIPPING

All orders will be shipped prepaid and charge unless otherwise specified. Footage will ship all goods via UPS ground up to 150 lbs. For heavier shipments, a common carrier will be used and Footage will make every effort to find the most cost effective means to deliver goods ordered. **All in-stock orders will be shipped same day if received before 1:00 PM Eastern Standard Time in most cases provided there are no special requirements.**

See service charges below for special requests.

Note: When using your own freight company, your carrier will be responsible for custom and brokerage clearance.

Note: Shipping companies will charge an extra fee for residential deliveries based on weight, dimension and any special requirements. If you wish to use your own carrier, please specify and provide your account number on all orders.

RETURN GOODS

Footage Tools will waive all re-stocking charges for returns made within 30 days of sale, provided the goods are in their original sale condition. **All returns made after 30 days will be subject to a minimum of 20% re-stocking charge.** All returns must be shipped pre-paid.

Note: A Return Goods Authorization (RGA) form must accompany the returned shipment. Please follow the correct return procedure to avoid any unnecessary shipping charges. Additional charges incurred as a result of non-compliance will be billed to the Dealer or customer.

SERVICE CHARGES AND PARTS

Footage will charge a flat rate of \$90 per hour for service repairs. **Dealers will no longer receive a discount on parts for tools returned to Footage for service.** A Dealer performing a repair or supplying service parts to a customer will continue to receive a 20% discount on parts.

Requests to modify / change an order that has already been processed but not shipped **will be subject to a \$20 handling charge.**

All express shipments will be subject to a \$25 service charge.

WARRANTY

Footage Tools requests that all **tools must be registered for warranty within 30 days of purchase.** Tools that are not registered either by the Dealer or Customer will not be eligible for warranty claims. Please refer to individual warranty documents included with each tool purchased.

Note: Warranty can be registered online.

Visit www.footagetools.com and click on warranty registration.

All returns to Footage for warranty work must be shipped pre-paid. (see Return Goods section for details) Footage will return repaired tools pre-paid (if the tool qualifies for warranty) to either the Dealer or Customer as required.

Note: All brokerage and custom charges will be billed for non- warranty returns.
