

# **Water Conservation Notice**

The water utility that services this residence/  
facility is experiencing problems meeting the cur-  
rent demand for water.

It is imperative that we discontinue lawn and gar-  
den watering as well as any other unnecessary use  
of water so that we can ensure adequate supplies  
for essential use and fire protection.

Thank you for your assistance with this temporary  
matter. For any questions or concerns please  
contact us during business hours at
