Product Overview & Guides

Scott® Pro provides state of the art solutions to maximize productivity. You can trust Scott® Pro Hard Roll Paper Towels, with premium Absorbency Pockets, to provide efficient, reliable hand-drying for your washroom or break room. These paper towels are exclusively compatible with the Dispenser system (grey-colored cores), which can adapt to suit your needs. These dispensers have internal modules that can plug and play to give you the flexibility to build a dispenser customized to meet your requirements. Plus, the paper towels' fast-drying Absorbency Pockets mean that users will need fewer towels to dry their hands. The result? More towels left in the dispenser, more times between refills and less paper waste. Drying is one of the most important steps in the hand washing process, and how you dry matters. Providing high-quality Scott® Pro Hard Roll commercial paper towels to your guests, clients and employees is one important piece of the workplace hygiene puzzle. It's the same Kleenex® quality, now Scott® branded.

700' / Roll, 6 Scott® Pro Hard Roll Paper Towel Rolls / Case, 4,200 Feet / Case

Absorbency Pockets absorb lots of water fast for superior hand drying performance, so guests use fewer paper towels

Scott® Pro paper towel rolls combine a soft feel with the premium performance of commercial paper towels

1.75" core size (grey core) is compatible exclusively with Kimberly-Clark Professional™ paper towel dispensers (modular dispensers adapt to suit your business' function and image needs)

These paper towels meet EPA minimum standards, and are FSC certified and ECO Logo certified
