Key Features & Benefits

ProWash™ Cycle

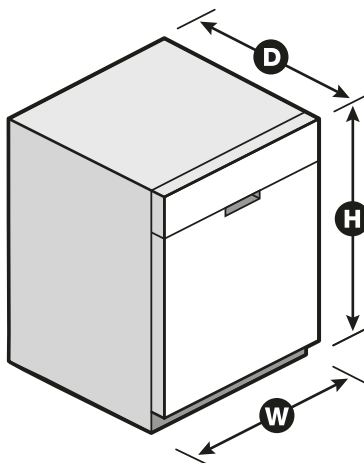

Determines the ideal cycle for washing dishes based on soil level and then makes real-time adjustments to achieve the best cleaning performance.

Express Wash

Quickly and effortlessly handles the heaviest soils, even stubborn baked and seared-on messes in less time.

Fold-Down Tines in the Lower Rack

Can be adjusted in one of three positions so water can clean inside deep or wide dishes.

*Per IEC standards. NOTE: Dimensions are for planning purposes only. For complete details, see Installation Instructions packed with product. Specifications subject to change without notice.
