Noble Pro LED Line Voltage Task Lighting NLLP Series

Features

The NLLP Series is ideal for undercabinet lighting in kitchens, study area and displays with its low profile design. The housing is available in 5 different lengths, ranging from 9" to 40" to handle most application requirements. Color options include white, oil-rubbed bronze and a brushed aluminum finish to accommodate most decors. The NLLP Series includes an array of LEDs, and is linkable up to 200 watts. In addition the units can be direct wired, and attached to the cabinet with 2 captive mounting screws, which provide for a smoother installation. Multiple knockouts on the top and the back which offers maximum wiring flexibility.

The following accessories are included with each fixture:

- 5' cord and plug • 12" connecting cable • BX/NM cable connector • direct connector

Hardwire Box (ordered separately) recommended for use (when direct wiring the 9" units)

Construction

Fixture housing is made from extruded aluminum.

Finish

All exposed metal parts are post painted and available in the following finishes:

- White Gloss Enamel (WH) • Brushed Aluminum (BA)
- Oil-Rubbed Bronze (RB)

Diffuser

White polycarbonate

Electrical

This unit is wired for 120 Volt operation. This product also provides a user selectable switch which will allow you to select 1 of 3 color levels which are 2700K, 3000K & 4000K CCT respectively. The fixture features a Triac dimmable driver and is dimmable with most standard 2 wire (Triac) wall dimmers or an electronic low voltage dimmer switch (sold separately). High/ low switch included.

Lamping

LED Lamping, type SMT array, 2 (Non replaceable arrays are used to create 2700K, 3000K or 4000K color temps), Rated to 50,000 hrs. 90 CRI.

Certification

Fixtures are cULus listed for damp locations and carry a UL rating for undercabinet/convertible/linkable mounting. ENERGY STAR® qualified. Meets Title 24 requirements.

Warranty

Limited warranty. This fixture guaranteed to be free from defects in materials and workmanship for a period of 5 years from date of purchase.

Specifications and dimensions subject to change without notice.
