# Underground Detectable Tape

(Sourced)

Spec Sheet

Base Sku: SD

## DESCRIPTION:

Detectable Underground Warning Tape is a specially laminated pet / foil / poly blend. This amazing blend (with polyester) provides exceptional strength characteristics when compared to other all polyethylene type detectable warning tapes. The bold black message on its APWA color-coded background is treated so as not to degrade or fade when exposed to alkalis, acids and or any other destructive elements under ground.
