

When our Standard Barricade Tape isn't tough enough, try our Reinforced Barricade Tape. This tape is produced from polyethylene embedded with woven polyester fibers for added tensile strength. It comes in a 7 mil thickness on 500 ft rolls and meets OSHA 1910-144 standards.

- Roll Width:** 3" (Custom widths available upon request)
- Roll Lengths:** 500' (Custom lengths available upon request)
- Available Colors:** Red, Yellow, and Orange
- Material Thickness:** 7mil
