Product Images

Short Description

- Be ready during hurricanes, tornadoes, earthquakes, or terrorism attacks
- Fire-resistant design
- Painted "emergency orange" for high visibility
- Adjustable shelves
- Ten-year warranty

Description

For protected, quick access to emergency supplies during a disaster, this high performance cabinet features a fire-resistant design with durable powder paint “emergency orange” finish for high visibility. It can be located quickly during power outages with the GloAlert™ glow-in-the-dark labels. Spacious design includes four adjustable shelves providing storage for flashlights, radios, respirators, first aid items, and much more.

High quality 3-point stainless steel bullet latching system, and smooth opening/closing piano hinge doors, work first time, every time. A 10-year limited warranty backs the long-lasting design. Additional features include U-Loc™ handle with two keys and four adjustable leveling feet.

PowerPort™ model (860002) has an installed electrical pass-through connection. It comes with an external 9-foot power cord, and 10 amp rated, 6-outlet power strip with 38-inch cord for charging walkie-talkies, flashlights, etc. inside the cabinet.

Design tested in accordance with ASTM & NFPA time temperature curves.
